SELF REFLECTION

WHEN SHALL I USE THIS?
The individual/team can utilize this tool at the end of the meeting, day, week, month, or the project for wrap-up.

WHY SHALL I USE THIS?
The individual/team can improve the understanding of themselves and their project(business) by reflecting on the learnings.

TIME : 15min / person
ITEM : Paper, Bold pen

ACTIVE LISTENING

ACTIVE LISTENING

WHEN SHALL I USE THIS?
The team can utilize this tool for team building or consumer interview.

WHY SHALL I USE THIS?
Most of the problem are derived from the lack of the listening and also the first step of problem solving is listening. When you actively listen, the speaker would tell their story more actively, and this would help the discovering the insight and problem solving.

TIME : 15min / person
ITEM : Paper, Pen
