Testing Instructions

Please detail any special instructions to test your skill. Include any account or hardware requirements. If your skill requests permissions, include ways to test these permissions requests. This information is used by the certification team and is not displayed to customers.

Available instantly on your connected Alexa device.

Countries & Region:

Select "In all countries..." to make your skill available to users worldwide. Select "Selected countries and regions" to limit the skill to the specified countries. Your skill needs to support the primary language for each of the specified countries to be accessible by users in those countries. E.g. customers in Germany can access your skill if it is available in German. [Learn more](#)

Where would you like this skill to be available?

- In all countries and regions where Amazon distributes skills
- Selected countries and regions:

Short Skill Description

A short description (160 character maximum) that displays in the skill list in the Alexa App.

The Chosun Ilbo's new Flash Briefing brings you the most important daily news from South Korea.

Full Skill Description

A description of the skill's purpose and features, and how it works. Should describe any prerequisites like hardware or account requirements and detailed steps for the customer to get started. For Flash Briefing skills, list the feeds offered within the skill. Use a conversational tone and correct grammar and punctuation. This description displays to customers on the skill detail card in the Alexa app.

The Chosun Ilbo's new Flash Briefing brings you the most important daily news from South Korea. The Chosun Ilbo is the representative newspaper of Korea and is making a new history of the media industry in Korea.

Example Phrases

These are the default sample phrases for the API you selected. The phrases are displayed on the detail card in the Alexa App to teach users how to interact with the skill

1

"Alexa, what's my Flash Briefing?"

2

"Alexa, what's in the news?"

Keywords (Optional)

Search terms that you would use to describe your skill. This helps customers find your skill. Use spaces or commas in between terms.

KoreanNews,ChosunFlashBriefing,O-neul-ui-Hankuk-News,SouthKoreaNews,Chosun
