Write an article about your neighborhood. Say why you like / don't like it.

I live in a noisy, and busy neighborhood. There are lots of things to do.

In my neighborhood, full of people crowded. There are alot of shops. Clothes shops, book shops, toy shops, shoe shops and supermarkets. So I can buy the many things.

There are many ^{nice} restaurants. Nowhere for children to play like a swimming pool, and a library. And there are churches, and many shops and restaurants so sometimes I puzzled in here.

I like my neighborhood so much. Because there are nice to live and good for health. And there are many great, exciting things.
