

WRITING TASK 4

Eating Out

Name: Date:

Imagine you and your family had **a meal at a restaurant** recently. Write a letter to a friend or cousin about it.

Dear Hojin,

Thanks for your letter.
I'm glad you enjoyed your meal at the Chinese restaurant.
I'm writing to tell you about my birthday dinner.

We went to Vips. It's very popular and it's always full of people. That's because food is very fresh and good. Waiters were very friendly. A lot of food was there so, it was hard to choose food.

For a starter, I ordered tomato soup. For a main course, I chose roast chicken, pork chops. And for dessert, I had chocolate ice-cream. It was very delicious. I liked syrup on the ^{potatoes} but I didn't like sweet ^{ice-cream best}.

I had a wonderful time.
Did you go to another restaurant?
