<introduction>

- name : David Parker
- job : photographer
- goal of the speech : To inspire the listeners about their dreams

< Body >

- When he was young,
he liked stars and taking photos.

- After he graduated from college,
he became an engineer but
he wasn't sure if he was enjoying the job.

- After he came back from Iceland, he won first
prize at a photo contest with the pictures of
Northern Lights.
- He decided to be a professional
photographer and tried hard for his goal.

- When he entered a college,
he chose engineering as his major.

- When he went to Iceland, he saw the Northern Lights.

The lights made his heart beat fast.

He took photos of the dancing lights.

<Conclusion>

Advice to help with realizing one's dreams: First, follow your heart. Second, work hard. Third, be bold.
