On the PATH Map

Squares represent buildings.

The Green Line represents links between and through buildings.

Colours represent the four points of the compass –
north (blue), south (red), east (yellow), and west (orange).

H represents hotel.

C represents cultural building.

S represents sports venue.

★ represents tourist attraction

Toronto's Downtown Underground Pedestrian Walkway

Welcome to PATH – Toronto's
Downtown Underground
Pedestrian Walkway linking
30 kilometres of underground
shopping, services and
entertainment

PATH Marker

Signs ranging from
free-standing outdoor
pylons to door decals
identify entrances
to the walkway.

In many elevators there is
a small PATH logo
mounted beside the
button for the floor
leading to the walkway.

Next Destination

PATH directional signs tell
you which building you're
in and the next building
you'll be entering. The
arrow is one of the PATH
compass colours: blue
(north), red (south), yellow
(east), or orange (west).

Street Name

Street names are
identified as you walk
under them.

Compass

Which way is north?
These ceiling-mounted
compasses have
colour-coded arrows
pointing N-S-E-W.

Accessibility

This symbol indicates
an alternative route for
people with disabilities
whenever a flight of
stairs lies ahead.

Visiting a client? Shopping for
a gift? Attending a sports event?
Taking in a movie? Catching the
subway? Follow the PATH and you'll
reach your downtown destination
easily in weatherproof comfort.

Signs and maps displaying the
multi-coloured PATH logo show
you where to enter the walkway,
direct you to where you want to
go, and keep you on track until
you get there.

Arrows, colour-coded to North,
South, East and West, point you
in the right direction.
