2025학년도 중등임용고시 전공영어 A형 모범답안				
번호	과목	난이도	모범답안	비고
1	영미문학	상	reverse	
2	영어학	하	implicature	
3	영어교육론	하	modifying	
4	영어교육론	하	inter-rater reliability	
5	영미문학	상	The one word is 'ordeals' . And 'give' means the pleasure and happiness when the parent raises a child while 'take' means sadness of parting from the parent's child as the child grows .	
6	영어학	중하	The two adjectives are 'b' and 'd' . And the attested disyllabic adjectives end in a vowel while the unattested disyllabic adjectives end in a consonant .	
7	영어학	중	The word for the blank ① is 'ordinary' and ② is 'raised' . For the raised subject in (4b), a dummy pronoun 'it' can appear in the raised subject position like 'It happened to rain' , showing that the subject of 'happened' is a raised subject . And for the ordinary subject, the sentence 'The man attempted to be saved by the fire fighter' which is a passive form does not share the same truth condition with the (4a) which is an active form, showing that the subject of 'attempted' is an ordinary subject .

8	영어교육론	중	The two types of deviations are 'Semantic deviation' and 'Number of arguments' . For 'Semantic deviation' , S2's utterance "What's the pen?" is semantically ill-formed instead of the intended meaning "Do you have a pen?" And for 'Number of arguments' , S2's utterance "She is giving Mary" contains fewer argument like 'a book' than required instead of intended meaning "She is giving Mary a book."	
9	영어교육론	중	'Authenticity' is applied to Item 1 because the task asks students to describe a memorable experience which mirrors a conversation topic in real-life . 'Clarity' is applied to Item 2 because the prompt 'a picture of a busy street' can make students clearly describe what they see .	
10	일반영어	중상	The one word is 'nothing' . And the underlined part means that we can find the meaning of our life at the end of the story of our life like the 'pearl' we are going to retrieve.	
11	영어교육론	중	One objective for reception is 'R2' . In Step 2 , students can identify specific details from an audio clip on AI and digital tools by making the sentences true or false and matching the person with his or her concern . And one objective for production is 'P3' . In Step 3 , students write rules for the use of digital tools by using useful expressions for polite agreement or disagreement .	
12	영어교육론	중	Ms. Yu may apply 'P4 in PROB' because S1 can understand texts better by drawing a picture in S1's mind when S1 is not sure . And she may apply 'G3 in GLOB' because it can make S2 focus on reading selectively by avoiding analyzing texts sentence-by sentence until S2 fully understands them .

2025학년도 중등임용고시 전공영어 B형				
번호	과목	난이도	정답	비고
1	영어학	하	one-way, mutual	
2	영미문학	상	particularity	
3	영미문학	상	The one word is 'sloth' . And Jimmy's situation can be considered similar to that of the woman who went to the mass meeting in that he feels neglected and isolated by people around him.	
4	영어학	중	The two names are 'a' and 'b' . And the prosodic condition is that the names which are permissible for the name game have the stress on the first syllable.	
5	영어학	중상	In (Ba), a ditransitive verb 'put' requires three arguments but the only two arguments are provided, which violates the (ii) condition of the theta-criterion. In (Bb), a transitive verb 'hit' assigns the theta roles to 'John' and the silent relative pronoun \emptyset_{wh}. So, the argument 'it' does not have a theta-role, which violates the (i) condition of the theta-criterion.	
6	영어교육론	중	Week 1 and Week 6 do not follow the procedure in <A>. In Week 1, the teacher provides the guidelines on the project instead of making students collaboratively set the goal and scope of the project. In Week 6, the teacher evaluates students' learning progress, focusing only on the product instead of focusing on both process and progress.

7	영어교육론	중	Two suggestions are ' intensive listening ' and ' creative activities '. First, during while-listening of modified lesson plan, the teacher asks students to do a gap-filling activity focusing on particular language features . Second, during post-listening of modified lesson plan, the teacher asks students to make some creative activities by acting out assigned scenes from the story .
8	일반영어	중상	The one word is ' scarcity '. And the underlined part means that we human beings are improperly adapted to abundance like cacti in the rain forest.
9	일반영어	중하	Unlike our belief, putting oneself first can provide several benefits. First, rejecting unwanted requests can lower stress and enhance relationships. Second, prioritizing personal needs can increase happiness, which can share the happiness around them. In conclusion, putting oneself first can increase individual happiness and benefit relationships.
10	영어교육론	중상	reflecting, comparing . Seoyeon is most likely involved in the process of ' interacting ' by talking about her personal experiences after learning about extracurricular activities . And she wants to hear more about the ways in which she can serve her communities in response to what Taesoo says .
11	영어교육론	중	Ms. Kim does not conform to principle ① because she provides definitions of new words and teaches grammar points explicitly using drills instead of encouraging students to independently explore and discover language rules. And she does not conform to principle ④ because she conducts a team-based quiz and provides comments to groups instead of assessing student achievement and providing individualized feedback.
