What Is Boxing Day?

Boxing Day has nothing to do with the sport of boxing. The simplest answer would be that Christmas is too short so people have added on another holiday called Boxing Day. Boxing Day is on the 26th of December and is a national bank holiday or public holiday in the United Kingdom, Canada, Australia, New Zealand and Ireland. It has been celebrated by spending time with family and friends and eating all the leftovers from Christmas Day. The origins of the day, however, are steeped in history and tradition.

Why Boxing Day?

There are many arguments about the origins of the name Boxing Day. All the answers below are valid, so one, or even all of them may be correct.

02 What would great sailing ships put on board when setting sail?

- A “Christmas Box” in Britain is a name for a Christmas present.
- Boxing Day was traditionally a day off for servants and the day when they received a “Christmas Box” from the master. The servants would also go home on Boxing Day to give “Christmas Boxes” to their families.

- A box to collect money for the poor was placed in churches on Christmas Day and opened the next day—Boxing Day.
- Great sailing ships when setting sail would have a sealed timber box containing money on board for good luck. If the voyage was a success, the box was given to a priest, opened at Christmas and the contents given to the poor.

What Do People Do on Boxing Day?

Boxing Day has been an important day for sporting events. Traditionally, fox hunting was a popular sport with the upper class. It was a traditional part of Boxing Day until 2004, when the ban on fox hunting put an end to the hunt in its traditional form. Hunters still gather dressed resplendently in red hunting coats to the sound of the

hunting horn. But, since it is now forbidden to chase foxes with dogs, a compromise has been reached and the dogs now follow artificially laid trails.

In recent times, the day has become synonymous with many sports. Horse racing is particularly popular with race days held all over Britain. It is also traditional for the football and rugby leagues in England, Scotland and Northern Ireland, to hold a full program of matches on Boxing Day. Originally, matches on Boxing Day were played against local rivals to avoid teams and their fans having to travel long distances after Christmas Day. Boxing Day is also a time when the British show their eccentricity by taking part in all kinds of silly activities. These include unusual traditions such as swimming in the icy cold water, fun runs and charity events.

Q3 When was fox hunting forbidden in its traditional form?

- resplendently • forbid • chase • compromise • artificially • lay • trail
- synonymous • eccentricity • charity • put an end to • take part in

What Is the New Boxing Day Sport?

Another “sport” to emerge in recent years is shopping. Sadly, what was once a day of relaxation and family time has become the start of a crazy shopping season. In the U.K., Canada, Australia and New Zealand, Boxing Day is primarily known as a shopping holiday, much like Black Friday which is the day after Thanksgiving in the United States. Shop owners open their stores early in the morning and offer dramatic discounts to clear unsold Christmas stock. People stand in lines all night to be the first one to get the best deals. Because of the crowds, many people choose to stay at home and avoid the riots.

Q4 Why do many people choose to stay at home rather than shop on Boxing Day?

Reclaim the Spirit!

The philanthropic Christmas tradition of giving gifts and money to helpers and household staff to supplement wages still continues, and businesses also grant bonuses and other privileges to their employees. Schools collect money and gifts and send them to other neighboring poor countries. In any case, the best way to celebrate the day is of course by sharing your happiness with the most deserved. This very special day gives us an opportunity to give back to society what has lovingly been showered upon us. The true sentiment of the day must never be lost and should inspire us to be more charitable in our lives.
