M: Hello. I'm Chris, leader of "Happy Charity." Last month, a huge tornado hit a neighboring town. Homes and businesses disappeared and many people were injured. Now they're in a shelter suffering from hunger and cold. To help them, we're transporting bottled water and food. But more items are needed. So our organization is accepting canned goods, snack items, water, medicine, and clothing. If you want to donate any of these items, you can drop them off in the collection box at our office. Your donation will help the victims get through this difficult time.

다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: How can we live a green lifestyle? Living a green lifestyle is to live with care for the environment. There are many ways to adopt a green lifestyle in our daily lives. Use a car only when necessary and take trains or buses. Unplug electronic devices when they're not in use. If you wash your laundry in cold water, you can use 50% less energy. When you go to the supermarket, bring your own bag. Carry your own cup rather than using paper cups. That way, we'll naturally take a path to go green.

lyrebird에 관한 다음 내용을 듣고, 일치하지 않는 것을 고르시오.

M: Today I'm going to talk about lyrebirds. They live in the forests and woods of Australia. Lyrebirds have brown feathers, and although they have wings, they don't often fly. They move about the forests on foot, running and jumping quickly on their short legs. Lyrebirds eat spiders and worms. When a male tries to attract a female, he dances and sings his unique songs. Lyrebirds can copy the sounds they've heard, even cars and cameras. A female lays one egg in a nest built on the ground. The egg hatches in about six weeks and the young lyrebird stays in the nest for another six weeks.
