

[기술이전계약] 신약물질 기술이전 License 계약서 중 특허관련 계약조항 사례

세계적 블록버스터 신약의 물질특허에 대한 Exclusive License 및 추가 R&D Collaboration Agreement 중에서 특허관련 계약조항을 인용하고 간략하게 살펴보겠습니다. 신약물질을 개발한 일본 제약회사 Shionogi에서 신약물질 특허권을 보유하고, 대형 제약회사 AstraZeneca에 대해 해당 특허의 전용실시권 허여 및 상업화 권리를 부여하는 기술이전 license 계약입니다. 이미 상당한 시간이 지난 오래 된 계약서이지만, 실제 엄청난 성공을 거둔 신약개발 기술이전 프로젝트로서, 실무자가 참고자료로 살펴볼 가치가 높다고 생각합니다.

Article 11. PATENTS (특허출원, 심사 및 등록과정에서 라이선스의 검토 및 참여권리 보장. 특허권리 확보에 라이선시 참여권 부여)

11.1 SHIONOGI has the responsibility to file, prosecute and maintain the PATENTS and shall bear all cost for the PATENTS, including fees and expenses paid to outside

legal counsel and experts, direct costs of in-house counsel and filing, prosecution and maintenance expenses associated therewith.

11.2 SHIONOGI shall provide ZENECA with an opportunity to review and comment on the nature and text of new or pending applications for the PATENTS.

11.3 SHIONOGI shall advise ZENECA on an annual basis of progress in the prosecution of all patent applications and in the maintenance or extension of patents falling within the PATENTS and shall, on request, furnish ZENECA with a copy of the patent application, patent or other document pertinent to prosecution, maintenance or extension of such applications and patents.

11.4 No significant steps regarding prosecution of the PATENTS will be taken by SHIONOGI without prior consultation with ZENECA. In particular, no steps concerning European Patent Application No. 92111090.4 or US Patent 5,260,440 will be taken by SHIONOGI without prior consultation with ZENECA.

11.5 If SHIONOGI elects not to continue to prosecute a patent application or not to maintain or extend any patent application or patent within the PATENTS, SHIONOGI shall notify ZENECA not less than two (2) months before any relevant deadlines. Thereafter ZENECA shall have the right to pursue at its expense, and at its sole discretion, the prosecution, extension or maintenance of such application or patent. Any costs incurred by ZENECA pursuant to this shall be offset against royalties payable under Article 4.

11.6 ZENECA may request SHIONOGI to seek additional patent protection for the COMPOUNDS or LICENSED PRODUCTS in the TERRITORY, for example, by way of patent registration, patent of importation or revalidation, or the like. If SHIONOGI chooses to seek such additional patent protection, it shall do so at its own cost and in its own name. If SHIONOGI chooses not to seek such additional patent protection, ZENECA may require SHIONOGI to do so; provided ZENECA reimburses SHIONOGI for any reasonable expenses incurred in doing so. Such patent property shall then be included within the definition of PATENTS.

11.7 SHIONOGI shall immediately advise ZENECA of any certification filed under the U.S. "Drug Price Competition and Patent Term Restoration Act of 1984" ("ANDA ACT") claiming that any PATENTS are invalid or claiming that the PATENTS will not be infringed by the manufacture, use or sale of a product for which an application under ANDA ACT is filed.

11.8 The PARTIES will cooperate with each other in gaining patent term extension(s) or the like, where applicable to the PATENTS in the TERRITORY, for example, under the U.S. "Drug Price Competition and Patent Term Restoration Act of 1984" or under a supplementary protection certificate in European countries.

11.10 Upon reasonable request of ZENECA, SHIONOGI will provide ZENECA with all necessary assistance relating to the PATENTS, including allowing ZENECA access to SHIONOGI's files and documents and access to SHIONOGI's personnel who may have possession of relevant information.

당사자의 침해대응 책임 및 협력 방안, 대상 특허실시로 타인 권리를 침해하는 경우

분쟁 대응 책임 및 협력 방안 규정)

12.1 In the event that ZENECA or SHIONOGI supposes that a THIRD PARTY may be infringing any of the PATENTS by the manufacture, use, distribution, marketing or sale of the COMPOUNDS and/or LICENSED PRODUCTS, ZENECA or SHIONOGI shall promptly notify the other PARTY in writing, identifying the infringer and the infringement complained of and furnishing the information upon which such determination is based. ZENECA shall be entitled, in its sole discretion but after notifying SHIONOGI, to take any measures deemed appropriate to stop such infringing activities by such THIRD PARTY in the TERRITORY or to grant to the infringing THIRD PARTY adequate rights and licenses necessary for continuing such activities in the TERRITORY so long as ZENECA remains in compliance with Article 4. Upon reasonable request by ZENECA and at ZENECA's cost, SHIONOGI shall give ZENECA all reasonable information and assistance including allowing ZENECA access to SHIONOGI's files and documents and access to SHIONOGI's personnel who may have possession of relevant information, and if necessary to prosecute any legal action, joining in the legal action as a party.

Upon reasonable request by SHIONOGI and at SHIONOGI's cost, ZENECA shall give SHIONOGI all reasonable information and assistance. Any damages or remuneration received as a result of such action shall be received by SHIONOGI.

12.4 In the event of any actual or threatened suit against ZENECA or its AFFILIATES, SUBLICENSEES or customers alleging that the exploitation or use of the PATENTS and/or KNOW-HOW hereunder infringes the patent or other intellectual property rights of a THIRD PARTY, ZENECA shall promptly give written notice to

SHIONOGI. SHIONOGI will provide to ZENECA all reasonable assistance requested by ZENECA to defend or settle such suit and in particular SHIONOGI will promptly make available to ZENECA, free of charge, all information in its possession or control which will assist ZENECA in defending or otherwise dealing with such suit. ZENECA shall have the right to defend in its sole discretion such suit but shall consult with SHIONOGI before settling such suit. ZENECA shall not settle the suit without obtaining prior written consent of SHIONOGI which consent shall not be unreasonably withheld. If damages or costs are awarded against ZENECA for such infringement, or if the outcome of the suit is that ZENECA is ordered to or agrees to make payments or pay royalties to a THIRD PARTY in order to secure the right to continue the exploitation or use of the PATENTS and/or KNOW-HOW hereunder, then the following percentages of such damages, payments, or royalties shall be offset against royalties payable by ZENECA under Article 4: [***].
