ANN: 이제 시작하겠습니다.

1번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Hey, Cathy. I heard you're moving to Jeju. Is that right?

W: Yeah. My family is moving because my dad's getting promoted to branch manager there.

M: Wow, that's good news. But, I'm going to miss you a lot.

W: \_\_\_\_\_

2번 대화를 듣고, 여자의 마지막 말에 대한 남자의 응답으로 가장 적절한 것을 고르시오.

W: Excuse me, I'm here to buy some cold medicine.

M: Sure. What seems to be the problem?

W: I've got a sore throat and runny nose.

M: \_\_\_\_\_

3번 대화를 듣고, 남자의 마지막 말에 대한 여자의 응답으로 가장 적절한 것을 고르시오.

M: Jessica, our guest speaker's name tag has a misspelling.

W: Oh, you're right. The 'e' is missing in Dr. Pierson's name. I'll correct it later.

M: We don't have much time. The speaker will be here soon.

W: \_\_\_\_\_

4번 다음을 듣고, 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

W: Good afternoon, listeners! Have you ever traveled to a new place and felt happier and healthier? You're not the only one. Travel is not only exciting; it also offers health benefits. Travel promotes physical activity, whether it's rushing through the airport, walking the streets of a new city, or climbing a mountain. Physical movement lowers blood pressure and the risk of heart disease and stroke. Also, travel exposes you to different environments, which improves your health. When you travel from place to place, your immune system adapts to each new environment, which in turn makes it stronger. With this in mind, let's pack our bags to stay fit.

5번 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello. This is your science teacher, Aaron Brown speaking about our monthly science lecture program. Last month a manufacturer of 3D printers was with us. For this month, I've invited famous artificial intelligence researcher, Christine Parker, the author of *What Artificial Intelligence Is*. Everybody is welcome to her lecture and it's a wonderful opportunity to expand your knowledge on artificial intelligence. I hope this lecture will satisfy your curiosity about this new technology. The talk will start at 5 p.m. on the 27th of this month in the library and you need to sign up for the event. For more information, please come to my office. Thank you.

6번 대화를 듣고, 남자의 주장으로 가장 적절한 것을 고르시오.

W: Hey, why are you so sweaty?

M: I was playing basketball during the lunch break.

W: Really? Were you playing right after lunch?

M: Yes. I couldn't play for a long time, though.

W: I guess not. I don't think there's enough time to play sports.

M: You've got that right. A 50-minute lunch break is too short. I think we should extend it to 90 minutes at least.

W: Wouldn't that be too long?

M: Maybe. But we have so little time left after eating. There's not enough time to do anything else.

W: Yes, I think you have a point there. We can rest more and prepare for our classes if we have a longer break.

M: Exactly!

7번 대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

M: Honey, I decided to start jogging from next week.

W: Okay. That'll be good for your health.

M: I'm planning on running early in the morning before work.

W: Hmm... I saw a news report about someone who was hit by a car while running early in the morning.

M: Don't worry. I'll be very careful when I run.

W: Good. Well, I think you should wear bright color clothes.

M: What do you mean?

W: Drivers can see you easily if you wear bright colors such as yellow.

M: I see. Thank you for your concern. I'll buy a bright sweatshirt and running shoes.

W: I think that's a smart decision.

8번 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

M: Diane, your performance last time was really great. I loved it.

W: Thank you. I always feel confident when I wear your clothes.

M: Glad to hear that. Well, the theme of our next fashion show is *Love in the Spring*.

W: Sounds lovely. What kind of dresses am I going to wear?

M: I designed three long dresses especially for you.

W: Do you have any suggestions for how I should walk?

M: I want you to walk with grace.

W: I'll keep that in mind and practice hard. Anything else to remember?

M: Not particularly. You're always terrific expressing the theme of the show. I can always count on you.

W: Thanks. I'll do my best. I can't wait to walk down the runway in your dresses.

9번 다음 그림의 상황에 가장 적절한 대화를 고르시오.

M: I'm here to buy a suitcase for my trip.

W: Okay. What kind of suitcase do you need?

**W: Number Two**

M: Do you want me to carry your suitcase for you?

W: That would be so nice. Thank you.

**W: Number Three**

M: Do you know where my suitcase is?

W: Yes. It must be in the basement.

**W: Number Four**

M: How many bags are you going to check in?

W: Just one. Shall I put it here?

**W: Number Five**

M: Let's run to the top, shall we?

W: Why not? I'm sure I'm faster than you.

10번 대화를 듣고, 여자가 남자에게 부탁한 일로 가장 적절한 것을 고르시오.

M: Honey, I can't believe how fast time flies. We have to move in a month.

W: Yeah. It's a little stressful thinking about moving.

M: As long as we're prepared, it'll be okay. Have you searched for a moving company?

W: Yes, I have. I found one with good reviews on the Internet.

M: Good. When are they going to visit our house to estimate moving costs?

W: Next weekend.

M: Next weekend? Well, before they come, why don't we get rid of some of the things we don't use anymore? We can donate some clothing and items to charity.

W: I agree. Could you select books to donate?

M: No problem. I can do it now. Maybe, we could sell some books online.

W: Well, I think making a donation is more valuable.

M: Okay.

11번 대화를 듣고, 여자가 콘서트 티켓을 예매하지 못한 이유로 가장 적절한 것을 고르시오.

[Cellphone rings.]

M: Hi, Sophie.

W: Hello, Brian. How was your presentation?

M: It went pretty well, thank you. Hey, by the way, did you get our concert tickets?

W: I'm sorry, I couldn't.

M: How come? Did you forget about them?

W: No way. I've been looking forward to this concert. I was waiting in front of the computer for the tickets to go on sale.

M: Okay, then what happened?

W: The moment I clicked the reservation button, the site just froze.

M: Oh no! So what did you do?

W: I clicked the button a million times but it didn't work.

M: Oh, that's too bad. Thank you for trying so hard. Let's go to the movies instead.

12번 대화를 듣고, 남자가 지불할 총 금액을 고르시오.

W: Hello. How may I help you?

M: Hi, there. I'd like to buy a bouquet for my wedding anniversary. How much are these roses?

W: How nice! Congratulations. The red roses are \$2 a piece, and the pink roses are \$3 a piece.

M: The pink roses look beautiful. I'll take twenty pink roses. Do you also have lilies?

W: Sure. They're \$5 a piece.

M: Then I'll buy two lilies. I'd like them all gift-wrapped, please.

W: No problem. I'll gift-wrap them for free. Now, do you have a discount coupon or anything?

M: I have a discount coupon. Can I use it now?

W: Sure. Let me see it. You can get a ten percent discount.

M: All right. Here's my credit card.

W: Thank you. Give me some time to wrap them.

13번 대화를 듣고, Nelson Charity Marathon에 관해 언급되지 않은 것을 고르시오.

W: Hey, Jimmy. What are you up to this weekend?

M: I'm going to be running the Nelson Charity Marathon hosted by the city of Nelson.

W: That's wonderful. When and where is it?

M: 9 a.m. to 12 p.m. this Saturday along the bank of the Charles River.

W: Okay. Are you running a full marathon?

M: No. A five-kilometer run. Almost anybody can do it.

W: I see. What's the event going to support?

M: The children living in poverty around the world.

W: That's really nice. I want to do it, too. Can I join you?

M: Sure. All you have to do is pay a \$20 participation fee.

W: All right. Then how can I sign up for the event?

M: There's an advertisement on the city hall website.

W: Cool. I'll see you at the marathon.

14번 Digital Space에 관한 다음 내용을 듣고, 일치하지 않는 것을 고르시오.

M: Honey, we're running out of coffee beans. Let's order some more online.  
W: Let me see. Buying 1,000 grams at once seems like a lot for us.  
M: I agree. What about the price range? I don't want to spend more than \$40.  
W: Hmm... You're right. Spending \$40 on coffee is too much for us.  
M: Okay. Then let's check where the coffee beans are from.  
W: Do you remember the coffee beans that we bought last month?  
M: Oh, I remember. They were from Vietnam. You said the coffee was a little bitter.  
W: Then let's skip the beans from Vietnam.  
M: Okay. Now we have two options left. Which one do you think would be better?  
W: Well, in this case, ratings from consumers would be a big help.  
M: That's right. Let's order the one with five stars.  
W: All right. I hope it comes soon.

W: Sounds great! I love hiking. Which day is better, Saturday or Sunday?

M: Both would be fine for me. How about 9 in the morning on Saturday?

W: That's good with me. Let's have lunch after we hike.

M: Lovely. I'm looking forward to it.

W: Oh, wait. Sorry. I really want to go, but I can't make it on Saturday.

M: I'm sorry to hear that. Why won't you be able to come?

W: Well, I joined a new volunteer organization and there's work scheduled for this weekend.

M: Really? What kind of volunteer work?

W: Talent donation. It's run by the community center.

M: Talent donation? How interesting! What talent are you donating?

W: I'm teaching watercolor painting to children.

M: Sounds like a meaningful activity.

18번 다음 상황 설명을 듣고, Kate가 Jonathan에게 할 말로 가장 적절한 것을 고르시오.

Jonathan eats cotton candy, watches a puppet show and has a fantastic time on the train, the safari bus, and the bumper cars. As it gets dark, he starts to feel cold. But Jonathan says that he wants to stay there till the park closes. Kate wants to tell Jonathan that they need to go home because it's getting chilly. In this situation, what would Kate most likely say to Jonathan?

【19-20】 다음을 듣고, 물음에 답하십시오.

W: Hello, fans of *Sports World*. I'm Sally McGuire. Do you have any favorite sports teams? I bet you do. Maybe you love your team more because of their mascot. Interestingly, most professional sports teams have their own animal mascots to show their team's identity. Each animal has its different symbolic meanings. First, bears represent leadership and confidence. Their powerful physical presence gives an impression of strength. Secondly, dogs are loyal animals. They're representative of friendship and playfulness. So they're the perfect choice for young fans. Thirdly, horses are fast, with a well-developed sense of balance. They stand for the driving force that carries you through tough times and helps you thrive in times of success. Lastly, foxes may be small, but they move quickly through obstacles. They're cunning, confident, and responsive in their living space, so they could be a good option for a mascot. Now, we're going to look at some sample images of the animal mascots together.

19번 여자가 하는 말의 주제로 가장 적절한 것을 고르시오.

20번 언급된 동물이 아닌 것을 고르시오.
