RECAP

01:00:00:20 SHEPPARD (V/O): Previously on *Stargate Atlantis*...

01:00:02:09 WEIR (O/S): Major Sheppard.

01:00:03:26 WEIR (CONT'D): Major Sheppard, who are all those people?

01:00:05:14 TEYLA: I am Teyla Emmagan...

01:00:07:00 TEYLA (CONT'D O/S): Daughter of Tagan.

01:00:08:04 TEYLA (O/S CONT'D): If the Wraith have never...

01:00:09:21 TEYLA (CONT'D): Touched your world, you should go back there.

01:00:11:15 SHEPPARD: Oh, we'd like to, but we can't.

01:00:13:10 BECKETT: I don't see a life form like this ever...

01:00:14:29 BECKETT (CONT'D O/S): Dying of natural aging the way we do.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:00:16:26 FEMALE WRAITH (V/O): You've trespassed upon our...

01:00:18:06 FEMALE WRAITH (V/O CONT'D): Feeding ground. You don't know...

01:00:19:23 FEMALE WRAITH (CONT'D): What you have done.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105**TEASER**

01:00:36:00 TECHNICIAN: It's Major Sheppard's IDC.

01:00:37:23 WEIR: They've only been gone a few hours.

01:00:39:18 SHEPPARD (V/O OVER RADIO): Atlantis, this is Sheppard. We're coming in hot.

01:00:45:04 WEIR: Lower the shield.

01:00:58:05 (BLAST)

01:01:10:21 WEIR: Raise the shield.

01:01:13:00 SHEPPARD: McKay!

01:01:20:22 WEIR (O/S): Medical team to the gate room.

01:01:22:28 SHEPPARD (O/S): I got a pulse.

01:01:38:01 SHEPPARD: How are you feeling?

01:01:39:03 MCKAY: I can't feel anything, but...I can't talk.

01:01:44:07 SHEPPARD: You can't talk either.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:01:45:09 MCKAY: That's what I'm trying to say.

01:01:47:02 BECKETT: Your body experienced a full overload to its sensory and motor nervous system.

01:01:50:25 MCKAY: What?

01:01:52:21 SHEPPARD: You took one of those Wraith stunners right in the face.

01:01:56:05 BECKETT: It's really quite fascinating, actually. The Wraith weapon impedes the firing of neurons that enable--

01:02:01:00 MCKAY (INTERRUPTING): I'm paralyzed?

01:02:02:14 BECKETT: The paralysis is only temporary.

01:02:05:14 BECKETT (CONT'D O/S): Don't worry, Rodney. You'll be up and about in no time.

01:02:08:14 BECKETT (CONT'D): Bloody good thing the Wraith weapons are only designed to incapacitate, or he'd be dead.

01:02:13:03 MCKAY: What?

01:02:14:15 WEIR (O/S): Major?

01:02:16:28 WEIR (CONT'D): Could I see you for a second?

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:02:22:26 MCKAY: Hello?

01:02:25:25 MCKAY (CONT'D): Hello?

01:02:26:24 SHEPPARD: He's going to be fine.

01:02:29:04 WEIR: I've heard. I want to know what happened out there.

01:02:33:13 SHEPPARD: The same old thing.

01:02:35:00 WEIR: Which makes it the fifth time your team has encountered the Wraith out of
how many missions?

01:02:41:17 SHEPPARD: Nine...so probably not a coincidence.

01:02:46:04 WEIR: I think it's pretty damn obvious now. We've got a spy in Atlantis.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105**ACT ONE**

01:04:19:20 SHEPPARD: Could you please not do that here?

01:04:22:01 MCKAY: My foot is still numb, if you'll excuse me.

01:04:24:14 SHEPPARD: At least your mouth still works fine.

01:04:27:18 WEIR: Oh, good. All right, let's get started.

01:04:40:05 FORD: Shouldn't we wait for Teyla?

01:04:42:16 WEIR: Teyla wasn't invited.

01:04:43:21 SHEPPARD: She's a member of my team.

01:04:45:29 BATES: She's also an Athosian, Sir.

01:04:47:06 SHEPPARD: So?

01:04:48:07 BATES (O/S): If we've been compromised...

01:04:49:09 BATES (O/S CONT'D): And every indication suggests that we have, it's...

01:04:51:01 BATES (CONT'D): Almost certain that one of them is responsible.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:04:53:08 SHEPPARD: We're talking about Teyla.

01:04:55:16 WEIR: I don't like it either, Major.

01:04:57:03 SHEPPARD: Good, then get her on in here--

01:04:58:03 WEIR (OVERLAPPING): But the safety...

01:04:58:13 WEIR (CONT'D): Of this base and its personnel are my main concern right now,
as it should be yours.

01:05:05:20 WEIR (CONT'D O/S): The Wraith have shown up...

01:05:06:05 WEIR (O/S CONT'D): On five of the last nine planets...

01:05:08:18 WEIR (CONT'D): Your team has visited, and given the fact that two of those
worlds were unpopulated, we can pretty much assume that...

01:05:14:14 WEIR (CONT'D O/S): They're being alerted to your missions by someone on this
base.

01:05:16:28 MCKAY: If someone on this base was communicating with the Wraiths, then why
hasn't Atlantis been attacked?

01:05:20:08 SHEPPARD: Good point.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:05:22:20 BATES: Maybe we should just stop using the stargate indefinitely.

01:05:25:23 SHEPPARD: We can't do that.

01:05:26:24 BATES: Why not?

01:05:27:15 SHEPPARD: Because we need ZPMs to power this place.

01:05:29:11 BATES: They seem to be running fine right now.

01:05:31:08 SHEPPARD: Okay. When the Wraith do show up, and they will, how do we
defend ourselves?

01:05:35:19 MCKAY: Or for that matter, how do we get back to Earth?

01:05:37:09 WEIR (O/S): This is the only stargate in the Pegasus galaxy...

01:05:39:06 WEIR (CONT'D): That can even reach Earth, and if it comes to that, we're going
to have to use a self-destruct before the Wraith take the city.

01:05:44:28 SHEPPARD: Bottom line, we need to use the gate.

01:05:48:16 BATES (O/S): Then we've got to find out

01:05:49:20 BATES (CONT'D): Who's responsible A.S.A.P.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:05:51:13 BATES (CONT'D O/S): I suggest we start by confining...

01:05:53:26 BATES (CONT'D): All non-base personnel to the south side of the complex.

01:05:56:10 SHEPPARD: Are you kidding?

01:05:57:11 BATES (O/S): That's the absolute minimum...

01:05:58:12 BATES (CONT'D): We should do. If Colonel Sumner was still here--

01:06:00:03 SHEPPARD: He's not.

01:06:03:21 SHEPPARD (CONT'D): I am.

01:06:05:13 BATES: Yes, Sir.

01:06:08:29 WEIR (O/S): We're not going...

01:06:09:08 WEIR (CONT'D): To start treating anyone like prisoners.

01:06:11:13 SHEPPARD: Well, that's good.

01:06:13:06 WEIR: That said, steps should be taken to safeguard the more sensitive areas of
this facility. It's only reasonable.

01:06:21:05 BATES (O/S): I recommend no-go zones start with stargate...

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:06:24:03 BATES (CONT'D): Operations--the labs, power generation, and the jumper bay.

01:06:27:08 WEIR (O/S): I'd like to meet with every...

01:06:28:20 WEIR (CONT'D): Athosian on this base. I mean, they've been here three months.
I only know...

01:06:32:03 WEIR (CONT'D O/S): A handful of them by name.

01:06:33:10 BATES (O/S): I could start setting...

01:06:33:20 BATES (O/S CONT'D): Up interviews as soon as we're done here.

01:06:35:15 WEIR: In the meantime, all gate travel is suspended until further notice.

01:06:51:02 GUARD #1: I'm sorry, ma'am. You can't come up.

01:06:52:20 TEYLA: I'm on my way to see Dr. Weir.

01:06:54:18 GUARD #2: That area is off-limits.

01:06:58:02 TEYLA: Since when?

01:07:01:13 TEYLA: I believe there's been some sort of misunderstanding.

01:07:03:20 TEYLA (CONT'D O/S): I...

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:07:39:18 SHEPPARD (CONT'D): Well...well...

01:07:41:13 SHEPPARD (CONT'D): I mean, it is in the sense that she wants to meet them all personally--

01:07:43:03 TEYLA (INTERRUPTING): You're aware of the horrors generations of my people have faced at the hands of the Wraith, and yet you would still question their loyalty?

01:07:49:02 SHEPPARD: Come on, Teyla, that's not fair. You've got people running around Atlantis that she's never even met.

01:07:53:20 TEYLA: I know each and every one of them. I would stake my life on their innocence.

01:07:57:15 SHEPPARD: Okay. Well, perhaps you've noticed, but every time we step through the stargate, bad guys try to kill us...

01:08:04:17 SHEPPARD (CONT'D): And I'm getting a little tired of it.

01:08:06:29 SHEPPARD (CONT'D): How about you?

01:08:08:06 TEYLA: That does not mean--

01:08:09:09 SHEPPARD (INTERRUPTING): Look...

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:09:02:24 WEIR: They can't be lying in wait in every corner of this galaxy. They are tracking our movements...

01:09:08:06 WEIR (CONT'D O/S): And we need to find out how.

01:09:10:04 WEIR (CONT'D): Your help with this would be greatly appreciated.

01:09:15:03 HALLING: Then by all means, how can I be of assistance?

01:09:17:28 WEIR: Thank you.

01:09:19:16 BATES (O/S): Since you've been here on Atlantis...

01:09:20:29 BATES (CONT'D): You've been off world three times?

01:09:22:06 HALLING: Yes. I've been acting as a guide on behalf of Sergeant Stackhouse's reconnaissance team...

01:09:26:08 HALLING (CONT'D): Helping to establish relations between...

01:09:28:17 HALLING (CONT'D): Your people and some of our former trading partners.

01:09:31:08 WEIR: Stackhouse reported he lost track of you on a couple of these outings.

01:09:35:13 HALLING: I did take the time to visit some close friends.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:09:38:01 BATES (O/S): Interesting. Two of your three...

01:09:40:23 BATES (CONT'D): "Visits" predated Wraith attacks by approximately a day.

01:09:43:06 WEIR: Sergeant.

01:09:44:10 HALLING: What are you suggesting?

01:09:45:04 BATES: I'm not suggesting anything.

01:09:46:10 HALLING: You think I would betray my own people? Jeopardize the life of my
son?

01:09:49:29 WEIR (O/S): No one is making....

01:09:51:17 WEIR (CONT'D): Accusations.

01:09:52:27 HALLING: I disagree. You've already leapt to the conclusion...

01:09:54:23 HALLING (CONT'D): That an Athosian is responsible.

01:09:56:09 BATES: Because it can't possibly be...

01:09:58:00 BATES (CONT'D O/S): One of our own people.

01:09:59:14 HALLING: No?

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:10:04:05 WEIR: We just need to clarify a few things.

01:10:08:05 HALLING: Then allow me. I lost my closest friend in the Wraith attack that forced us from our homeworld.

01:10:14:27 HALLING (CONT'D O/S): Selana, the woman you spoke to before me, lost both her parents.

01:10:19:18 HALLING (CONT'D): In fact, you'll be hard-pressed to find an Athosian who has not experienced loss at the hands of the Wraith.

01:10:27:14 HALLING (CONT'D): These are the people you accuse.

01:10:32:18 WEIR (O/S): We are not...

01:10:32:24 WEIR (CONT'D): Accusing anyone.

01:10:34:11 HALLING: And I came here expecting an interview...

01:10:41:07 HALLING (CONT'D): Not an interrogation.

01:10:57:00 ZELENKA (V/O): I mean...

01:10:57:13 ZELENKA (CONT'D): I don't think it's too much to ask.

01:10:59:00 MCKAY: What is it?

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:11:00:20 ZELENKA: Nothing, nothing. I just cannot bear the same meal day after day after day.

01:11:05:26 MCKAY: Well, buck up a little. I'm trying to run a diagnostic.

01:11:08:18 ZELENKA: Sorry.

01:11:09:27 MCKAY: I mean, we are stranded with limited resources in another galaxy.

01:11:13:06 MCKAY (CONT'D): I mean, come on, the nearest Bob's Big Boy is 300 million light years away. We have to make do. If that means you have to eat my favorite food...

01:11:19:00 MCKAY (CONT'D O/S): Two days in a row, so be it.

01:11:20:09 ZELENKA: You enjoy military rations?

01:11:21:26 MCKAY: I know, it's weird. Hospital food too.

01:11:24:06 MCKAY (CONT'D O/S): The only reason I don't like airplane food...

01:11:26:11 MCKAY (CONT'D): Is you can't get seconds, and I'm an absolute--

01:11:28:00 (BEEP)

01:11:29:00 MCKAY: Hello.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:12:59:20 HALLING: We've become more like their prisoners...

01:13:01:22 HALLING (CONT'D O/S): But unlike prisoners...

01:13:03:24 HALLING (CONT'D): We can choose to leave.

01:13:05:18 TEYLA: Where would you go?

01:13:07:08 HALLING: Do you not mean to say, "Where would we go?"

01:13:12:13 HALLING (CONT'D O/S): We have friends on other worlds...

01:13:13:13 HALLING (CONT'D): Who would gladly take us in.

01:13:14:19 TEYLA (O/S): For how long?

01:13:15:19 TEYLA (CONT'D): Good trading partners do not necessarily make good hosts.

01:13:18:27 HALLING: There are many worlds among the stars.

01:13:20:09 TEYLA: The Wraith have awakened. No world is safe.

01:13:22:07 HALLING: Nor is it safe to remain.

01:13:23:15 HALLING (CONT'D O/S): They will continue to do this...

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:14:09:04 TEYLA: I do not approve of some of their measures, but I do know that in the end, they will help to prove our innocence. Atlantis is far more than shelter. It is hope, not only for our people, but for everyone who would stand against the Wraith.

01:14:26:02 TEYLA (CONT'D O/S): We must...

01:14:26:09 TEYLA (CONT'D): Not abandon that hope.

01:14:31:01 HALLING: They may reside here, Teyla, but they're not the Ancestors, no matter how much you wish them to be.

END OF ACT ONE

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105**ACT TWO**

01:15:00:03 FORD: Sir.

01:15:01:21 SHEPPARD: Ford.

01:15:03:08 FORD: I heard they got the sunroof open on the jumper bay.

01:15:05:04 SHEPPARD: Yep.

01:15:06:04 FORD: I also heard you're planning to take a jumper out.

01:15:08:12 SHEPPARD: I figure that's what the door in the roof is for.

01:15:11:24 FORD: Anyone else call shotgun?

01:15:13:18 SHEPPARD: I was just going to drive around the planet, check it out...

01:15:16:15 FORD: Oh, you're just checking out the planet? Uh, never mind, then. That's cool.
 I mean, I've got better things to do than cruise around a planet in a space
 ship.

01:15:26:07 SHEPPARD: You're like a kid, you know that?

01:15:28:00 FORD: Yes, Sir. I brought along something to eat on the ride.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:15:31:10 SHEPPARD: What's that?

01:15:32:10 FORD: How about a nice turkey sandwich?

01:15:36:00 SHEPPARD: Let's go.

01:15:40:29 WEIR: Send in whoever's next, please.

01:15:53:16 WEIR: Teyla...I wasn't expecting you.

01:15:56:19 TEYLA: I was surprised to be left off your list.

01:15:59:01 WEIR: I didn't feel it was necessary in your case.

01:16:04:12 TEYLA: On the contrary.

01:16:05:17 TEYLA (CONT'D O/S): You should have spoken...

01:16:07:13 TEYLA (CONT'D): To me first.

01:16:15:02 WEIR: You're right. I should have.

01:16:17:01 TEYLA: I can tell you anything you need to know about my people.

01:16:20:18 BATES (O/S): Is it possible you don't know them...

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:16:22:08 BATES (CONT'D): All as well as you think?

01:16:28:03 TEYLA: I empathize with you, Dr. Weir.

01:16:29:19 TEYLA (CONT'D O/S): As leaders, we are often forced to make difficult decisions
in the interests of those we serve...

01:16:34:28 TEYLA (CONT'D): But many of my fellow Athosians are not so understanding.

01:16:39:09 WEIR: I know, but there's nothing I can do about that now. People can suspect my
motives for these meetings all they want, but you and I need to agree
that we have a problem.

01:16:49:20 WEIR (O/S): I have to do whatever I can to get to the bottom of it...

01:16:53:08 WEIR (CONT'D): And right now, that means sitting down and talking with every
single person here.

01:16:56:28 TEYLA: You should know there is talk of leaving Atlantis.

01:17:07:14 WEIR: I hope it doesn't come to that.

01:17:13:28 TEYLA: Not all change is for the worse.

01:17:32:20 SHEPPARD: Flight, this is Jumper Three. We're go for bay launch.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:18:34:05 FORD: You know, we still haven't named the planet yet.

01:18:36:15 SHEPPARD: I'm sure the Ancients have a name for it.

01:18:38:23 FORD: How about "Atlantica" or something like that?

01:18:42:08 SHEPPARD: I thought we agreed you weren't going to name anything anymore.

01:18:49:13 FORD (O/S): Sir.

01:18:52:25 FORD (CONT'D): Is that...land?

01:18:57:25 SHEPPARD (O/S): Yes.

01:18:58:15 SHEPPARD (CONT'D): It is.

01:19:00:29 FORD: I wonder how big it is.

01:19:04:02 SHEPPARD: Big.

01:19:05:04 FORD: Really big.

01:19:06:22 FORD: It's huge.

01:19:08:05 MCKAY: Define "huge."

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:19:09:06 SHEPPARD: 15 million square miles. Well, give or take.

01:19:14:00 MCKAY: That would make it approximately the size of, uh...

01:19:16:09 MCKAY (CONT'D): I have no idea, but it sounds huge.

01:19:18:10 WEIR: How long would it take us to get there?

01:19:20:20 SHEPPARD: 25 minutes by jumper, ground to ground. I saw some sweet
breakers on the south tip. There may be surfing in our future.

01:19:27:16 BATES: We should send a team to go get soil and water samples.

01:19:30:04 MCKAY: He's right. If the land's arable, it could solve a lot of our food production
problems.

01:19:33:14 BATES: Actually, I was thinking of something else.

01:19:35:07 SHEPPARD: Not surfing?

01:19:36:12 BATES: No, Sir.

01:19:37:24 BATES (CONT'D): We can't resume off-world missions as long as the Athosians
remain in the city.

01:19:40:27 SHEPPARD: So you want to dump them on the mainland?

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:19:43:01 BATES: It's not like we're sending them out there to die, Major.

01:19:45:02 SHEPPARD (O/S): Well, how the hell would you know?

01:19:46:10 FORD: It looked pretty wild down there.

01:19:47:12 BATES: A second ago, we were going surfing.

01:19:49:02 SHEPPARD: Well, that was after we check for monsters and bugs and other
space-related things.

01:19:55:11 BATES: I can't imagine it would be any worse than their original homeworld.

01:19:58:04 MCKAY: That could just be failure of imagination on your part.

01:20:00:02 BATES: In any case...

01:20:01:12 BATES (CONT'D O/S): A survey would tell us what we need to know.

01:20:06:19 SHEPPARD: You're not seriously thinking about this.

01:20:11:10 SHEPPARD (CONT'D): We're the reason they had to leave their planet in the first
place.

01:20:13:24 WEIR: This is a complicated situation, Major.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105**ACT THREE**

01:22:34:00 HALLING: I understand you're not coming with us.

01:22:51:15 TEYLA: Dr. Weir has arranged for communications between Atlantis and the
mainland should you ever need assistance.

01:22:57:23 HALLING: Thank her for us.

01:23:03:04 TEYLA: I hope...I don't want anyone to believe that I'm--

01:23:06:22 HALLING (INTERRUPTING): Teyla.

01:23:13:21 HALLING (CONT'D): The time has come.

01:23:33:03 HALLING (CONT'D): Go safely.

01:23:36:16 TEYLA: And you.

01:24:00:02 TEYLA: I've never been separated from my people before.

01:24:03:11 WEIR: It must be hard, but you know you'll see them again.

01:24:08:20 TEYLA: Do you doubt that you will one day return to Earth?

01:24:11:07 WEIR: I can't afford to have doubts.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:24:16:28 TEYLA: You mean you cannot afford to let them show.

01:24:22:16 WEIR: You're still a leader, Teyla.

01:24:23:25 WEIR (CONT'D O/S): You're doing this for your people and for their future.

01:24:28:08 WEIR (CONT'D): They know that.

01:24:50:15 WEIR: Anxious to step through the gate again, Major?

01:24:52:21 SHEPPARD: Yes, I am.

01:24:53:21 TEYLA: We all are.

01:24:54:21 SHEPPARD: Would you like us to bring you back anything special?

01:24:56:23 WEIR: No, thanks.

01:24:57:23 SHEPPARD: Groceries? A new outfit? Flatware?

01:24:59:25 WEIR: Hmm. No. Just yourselves in one piece, please. Dial it up.

01:25:04:27 (GATE REVS UP)

01:25:05:27 WEIR: Be safe.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:25:33:23 SHEPPARD: Well? Good stuff?

01:25:35:08 DR. CORRIGAN: I can't even begin to tell you how fascinating this is.

01:25:38:02 SHEPPARD: Anthropologist fascinating or actual fascinating?

01:25:40:14 DR. CORRIGAN: Yeah, well, maybe "fascinating" isn't the right word.

01:25:42:16 SHEPPARD: Maybe not.

01:25:43:16 SHEPPARD (CONT'D): How much longer?

01:25:44:26 DR. CORRIGAN: Realistically, we're probably going to need to come back.
 There's just so much here.

01:25:49:11 SHEPPARD: Oh, I can see that. Is there any way to speed things up?

01:25:52:22 DR. CORRIGAN: Well, sure. Find me someone who can translate some of the
 runes.

01:25:57:20 SHEPPARD: Did you say there were natives here?

01:25:59:24 TEYLA: They're a very shy people.

01:26:00:29 TEYLA (CONT'D): They probably went into hiding the moment we came through
 the gate.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:28:24:20 (WRAITH #1 MOANS)

01:28:25:21 SHEPPARD: Move out!

01:28:27:17 (GUNFIRE)

01:28:30:29 (WRAITH #1 MOANS)

01:28:43:29 (GUNFIRE)

01:28:44:04 (GUNSHOT)

01:28:44:28 (SHEPPARD SCREAMS)

01:28:49:18 (GUNFIRE)

01:28:50:25 STACKHOUSE: Yamato, McKay, grab the major.

01:28:53:15 (GUNFIRE)

01:28:54:03 MCKAY: What about Teyla and Ford?

01:28:55:25 STACKHOUSE: Now!

01:29:07:08 STACKHOUSE: Shut it down. They're right behind us.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105**ACT FOUR**

01:31:17:19 WEIR: Lieutenant Ford, can you confirm the situation?

01:31:20:04 TEYLA (V/O OVER RADIO): He is unconscious. Our situation grows desperate.

01:31:23:10 TEYLA (V/O OVER RADIO CONT'D): Soon we will have no choice but to go
through the stargate.

01:31:25:01 BATES (O/S): We drop...

01:31:26:09 BATES (CONT'D): That shield and who knows what she'll bring through that gate
with her.

01:31:31:14 SHEPPARD: Open up the damn gate!

01:31:42:22 WEIR: Lower the shield.

01:32:05:05 SHEPPARD (O/S): If she...

01:32:05:14 SHEPPARD: Were helping the Wraith...

01:32:06:12 SHEPPARD (CONT'D O/S): Why bother...

01:32:07:21 SHEPPARD (O/S CONT'D): Bringing Ford back? In fact...

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:32:09:06 SHEPPARD (CONT'D): Why bother coming back at all?

01:32:10:21 BATES: She's of more use to them here in Atlantis. As for apparently rescuing
Lieutenant Ford--

01:32:15:01 SHEPPARD (INTERRUPTING): She carried him through the damn gate. What's
"apparent" about that?

01:32:17:24 BATES: He's unconscious, Sir. We still don't know what happened.

01:32:20:04 SHEPPARD: Oh, that's enough.

01:32:21:08 BATES: It's my job to express security concerns, Sir.

01:32:23:08 SHEPPARD (INTERRUPTING): I've heard enough of your concerns.

01:32:25:00 BATES (INTERRUPTING): Again...

01:32:25:11 BATES (CONT'D): With all due respect, Major, I believe you're putting your
personal feelings--

01:32:28:06 SHEPPARD (INTERRUPTING): You're dismissed.

01:32:37:10 BATES: Yes, Sir.

01:32:56:24 SHEPPARD: What?

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:32:57:27 WEIR: I'm the one who put him in charge of security.

01:33:01:05 SHEPPARD: Yes, you did, and if you want to dismiss me, go ahead.

01:33:08:04 WEIR: Why don't you go and see how Lieutenant Ford is doing?

01:33:34:00 MCKAY: You want me to go through her stuff?

01:33:37:26 BATES: We're looking for weapons, transmitters, recording devices...

01:33:41:03 BATES (CONT'D O/S): Anything that looks like it's beyond the Athosians' level of technology.

01:33:44:20 MCKAY: And if I don't find anything, do we move on to a strip search?

01:33:48:10 BATES: Just do it.

01:33:57:16 FORD: We were on our way back when we came under fire. Didn't even see them. We returned fire, then broke for the gate. I was hit from behind. She saved my ass back there, Major.

01:34:07:26 SHEPPARD: Of course she did.

01:34:08:28 MCKAY: Major, I, uh...oh, Ford, how are you feeling? Pins and needles all over?

01:34:12:15 SHEPPARD: Oh, yeah, welcome to the club.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:34:49:01 MCKAY: I know. I was as surprised as you are. Look at this.

01:34:54:16 MCKAY (CONT'D): It's her locket.

01:34:55:22 MCKAY (CONT'D): It's a transmitter.

01:34:57:03 MCKAY (CONT'D): It's been broadcasting a continuous signal.

01:34:59:06 MCKAY (CONT'D): I wouldn't even have noticed if I hadn't been looking for it
specifically.

01:35:00:25 SHEPPARD: I found it.

01:35:02:20 MCKAY: What?

01:35:03:26 SHEPPARD: Back on her planet, the first time we met...

01:35:05:03 SHEPPARD (CONT'D): Teyla took me to the old ruins.

01:35:06:24 SHEPPARD (CONT'D V/O): That was half-buried in dirt. I gave it to her.

01:35:14:13 TEYLA: I lost this years ago.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:35:16:29 MCKAY: The locket isn't powerful enough to send a signal very far, certainly not through subspace. Now, my guess is that there are probably relay devices on certain planets that pick up the transmission and then alert the nearest hive ship. Those were the planets where we were attacked.

01:35:29:05 SHEPPARD: Boy, do we owe a few people an apology.

01:35:33:03 WEIR: Teyla had no idea she was giving away your position?

01:35:35:27 SHEPPARD: She said it was a present from her father. She lost it when she was a kid.

01:35:39:13 MCKAY: It was probably dormant until Major Sheppard picked it up, activating it.

01:35:42:17 BATES: If she wore it as a kid, how come they weren't attacked back then?

01:35:45:08 MCKAY: Didn't I just say it was dormant?

01:35:46:27 BATES: But if it was activated by touch...

01:35:48:20 MCKAY: You're not listening. I said Major Sheppard activated it.

01:35:52:07 WEIR (O/S): As far as the Wraith are concerned...

01:35:54:10 WEIR (CONT'D): Teyla's just another human being.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:35:55:27 MCKAY: They'd have no special interest in tracking her. Now, Major Sheppard, on the other hand...

01:35:58:25 WEIR: Has the Ancient gene.

01:36:00:11 MCKAY: Exactly.

01:36:01:17 MCKAY (CONT'D O/S): Now, at one point...

01:36:03:09 MCKAY (CONT'D): The Wraiths and the Ancients were at war. The Wraith created a transmission device...

01:36:06:01 MCKAY (CONT'D): To detect Ancients.

01:36:07:09 SHEPPARD: So some Athosian thought this would make a nice little necklace?

01:36:11:12 MCKAY: How could I possibly know that? What am I, Answer Man? The point is--

01:36:14:22 WEIR (INTERRUPTING O/S): It wasn't Teyla...

01:36:15:27 WEIR (CONT'D): Or any other Athosian, for that matter.

01:36:18:16 SHEPPARD: If that's the case...we can use it against them.

01:36:32:00 SHEPPARD: You seem nervous.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:36:33:20 MCKAY: No, I'm a part of this team. I'm doing this.

01:36:36:10 SHEPPARD: Yes, you are. I just said you seemed nervous.

01:36:38:10 MCKAY: Oh, really? I thought you said, "Rodney, you don't have to do this."

01:36:41:10 SHEPPARD: Yes, you do.

01:36:42:10 MCKAY: Damn right I'm doing this, despite the fact that feeling hasn't completely returned to my extremities.

01:36:50:10 SHEPPARD: You're late.

01:36:53:22 TEYLA: Sorry.

01:36:56:15 BATES: Now...

01:36:56:25 BATES (CONT'D): Given the Wraith's regenerative abilities, killing one requires some amount of effort. Capturing one live is going to be a whole other deal.

01:37:04:02 BATES (CONT'D O/S): For any of these options...

01:37:05:18 BATES (CONT'D): To work, your Wraith has to be on the ground.

01:37:07:19 MCKAY (O/S): The last planet we visited...

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:37:08:19 MCKAY (CONT'D): Was inaccessible by ship, and the ruins around the stargate should force the Wraith to come through on foot.

01:37:12:24 BATES: In which case...

01:37:15:25 BATES (CONT'D): You'll be able to use these.

01:37:20:15 BATES (CONT'D): This is a stun grenade.

01:37:21:23 BATES (CONT'D): It's filled with a mixture of aluminum and potassium perchlorate that, when ignited, produces a high-pressure wave that will overwhelm the intended target with intense light and sound.

01:37:30:22 BATES (CONT'D O/S): If that doesn't get his head ringing...

01:37:33:09 BATES (CONT'D): In addition...you've got your taser.

01:37:38:01 BATES (CONT'D V/O): With a range of between 15 to 20 feet, it delivers a high-voltage, low-amperage charge that mimics the body's electrical signals, temporarily paralyzing the victim.

01:37:48:01 FORD (V/O OVER RADIO): Major, this is Ford.

01:37:50:28 SHEPPARD (INTO RADIO): What have you got, Lieutenant?

01:37:55:04 FORD (O/S): We've got company.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:37:58:23 FORD (CONT'D): Four of them.

01:38:04:18 SHEPPARD: All right, then we go as planned.

01:38:07:10 FORD: Yes, Sir.

01:38:16:20 SHEPPARD: You still seem nervous.

01:38:18:10 MCKAY: No, it's good, it's good. I'm all good. All good.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:40:00:28 (GUNFIRE)

01:40:22:00 SHEPPARD (O/S): It's a self-destruct!

01:40:24:21 SHEPPARD: Take cover!

01:40:29:22 (BLAST)

01:40:36:18 FORD: Major!

01:40:37:20 FORD (CONT'D O/S): Dr. McKay!

01:40:45:10 SHEPPARD: You okay?

01:40:46:24 MCKAY: I'm fine. This is...this is fun for me.

01:40:50:21 (TEYLA GRUNTS)

01:41:01:25 (GUNSHOT)

01:41:12:27 SHEPPARD: Easy. Don't go blowing yourself up.

01:41:30:02 WEIR: Teyla. Excuse me. I was hoping to catch you before you headed back to
the mainland. I hear they're doing well.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:41:36:28 TEYLA: Very well. According to Halling, they're busily planting crops for the next harvest.

01:41:41:11 WEIR: I'm glad to hear it.

01:41:43:04 TEYLA: I will tell them what has happened. Hopefully, in time, we will all be able to put the events of the past week behind us.

01:41:48:27 WEIR: Yes.

01:41:49:27 WEIR (CONT'D): I am aware that the last few days have been particularly difficult for you.

01:41:54:25 TEYLA: I believe, Dr. Weir, that in your place, I would have done the same.

01:42:01:01 WEIR: Thank you.

01:42:36:14 MALE WRAITH: Again? Your kind is persistent. I would have thought you'd have given up by now.

01:42:44:24 SHEPPARD: Well, hell, I've got all the time in the world.

01:42:47:17 SHEPPARD (CONT'D O/S): Now, you, on the other hand...

01:42:49:29 (ELECTRIC CRACKLE)

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:42:52:13 SHEPPARD: The Ancients were pretty good at shields and stuff like that, weren't they?

01:42:57:12 (MALE WRAITH GRUNTS)

01:43:00:06 SHEPPARD: I give you a week...

01:43:01:09 SHEPPARD (CONT'D): Maybe two, tops.

01:43:03:07 MALE WRAITH: You waste your time. I will provide you with no information.

01:43:08:10 SHEPPARD: I wonder what hurts more, the gunshot wound or the hunger...

01:43:12:18 SHEPPARD (CONT'D): Because I'd love to help out, but how did McKay put it?

01:43:18:15 SHEPPARD (CONT'D): "We can't meet your dietary requirements."

01:43:23:25 MALE WRAITH: When I'm free, you'll be the first that I feed upon.

01:43:29:01 SHEPPARD: Okey-dokey. I'm going to go make myself a sandwich.

01:43:34:22 MALE WRAITH: Human.

STARGATE ATLANTIS -- "SUSPICION" -- Episode #105

01:43:40:00 MALE WRAITH (CONT'D): You think you've won a victory by my capture, but by bringing me here, you've only hastened your own doom. It's only a matter of time before the others of my kind come to rescue me, and when they do, there will be nowhere in this world you can hide.

01:44:06:01 SHEPPARD: Stay positive, now.
