**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

TIMECODE            DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

**TEASER**

01:00:13:05            SHEPPARD: Ease up on the controls a little.

01:00:15:00            MCKAY: I'm fine.

01:00:16:00            SHEPPARD (O/S): You're going to snap...

01:00:16:25            SHEPPARD (CONT'D): the damn things off. Ease up.

01:00:18:19            MCKAY: I'm just seeing what this baby can do.

01:00:20:08            ABRAMS: Did you just say "this baby"?

01:00:22:07            MCKAY: It's perfectly appropriate space pilot parlance.

01:00:24:11            SHEPPARD: Just try to fly the baby in a straight line.

01:00:26:23            MCKAY: I'm flying in a straight line.

01:00:33:15            SHEPPARD: Not so much.

01:00:34:24            MCKAY: Well, in space, all motion is relative.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:00:43:15 SHEPPARD: You okay, Dr. Gall?

01:00:46:12 GALL: I get motion sickness.

01:00:48:21 SHEPPARD: These things have inertial dampeners. You shouldn't feel a thing.

01:00:53:06 GALL: I...I know we're moving. That's enough for me.

01:00:59:20 SHEPPARD: Why'd you choose this guy...

01:01:01:01 SHEPPARD (cont'd o/s): : for the mission?

01:01:02:05 MCKAY: Brendan's the one who discovered the Lagrangian Point satellite was out  
here.

01:01:05:08 MCKAY (CONT'D O/S): Elizabeth felt he should see it for himself.

01:01:08:01 SHEPPARD: Don't let go of the controls!

01:01:09:15 MCKAY: Snapping doesn't help!

01:01:10:27 SHEPPARD: This is why parents get someone else to teach their kids how to  
drive.

01:01:14:06 MCKAY: Hey, I'm both insulted and touched by that.

01:01:20:06 GALL: Oh, my God.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:01:39:18           SHEPPARD: McKay...

01:01:40:18           MCKAY (O/S): Yes, yes, of course, please.

01:01:49:29           SHEPPARD: Holding station at 1,000 meters.

01:01:50:20           MCKAY: We're almost a half a mile away and it's filling the windshield. This thing  
                          is enormous.

01:01:55:17           GALL: It's as large as a Goa'uld mothership. This might be the single largest  
                          weapons platform ever constructed.

01:02:00:05           MCKAY: It's probably the Ancients' last line of defense before Atlantis.

01:02:03:04           SHEPPARD: Any chance it's still operational? Because that would be a very good  
                          thing.

01:02:08:22           ABRAMS: Are you getting any energy readings?

01:02:09:23           GALL: Negative.

01:02:11:03           SHEPPARD: So it's dead?

01:02:12:17           GALL: Well, it warrants closer scrutiny, but yeah.

01:02:16:28           SHEPPARD: Knocked out during the Ancients' last stand?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:02:19:06 MCKAY (O/S): Or its power source is depleted.

01:02:20:25 MCKAY (CONT'D): 10,000 years is a long time. We should still take a closer look-

-

01:02:23:28 ABRAMS: Wait, wait. I'm getting something in the ultra-low frequency range.

01:02:29:27 (PULSATING FREQUENCY OVER SPEAKERS)

01:02:32:20 SHEPPARD: Where's it coming from?

01:02:37:07 ABRAMS: The planet.

01:02:40:20 MCKAY: It's a distress call... a Wraith distress call.

**END OF TEASER**

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112****ACT ONE**

01:04:14:01 WEIR (V/O OVER RADIO): You're sure it's Wraith? In this solar system?

01:04:17:15 MCKAY (INTO RADIO): I know. Celestially speaking, it's right in our backyard.

01:04:20:08 SHEPPARD (INTO RADIO): We figure the Ancient satellite shot the Wraith ship  
down in the final battle for Atlantis.

01:04:24:23 WEIR (INTO RADIO): And it's still putting out a signal after thousands of years?

01:04:27:09 MCKAY (V/O OVER RADIO): It's a very weak signal.

01:04:28:17 MCKAY (CONT'D INTO RADIO): Look, if any part of that ship is intact, the wealth  
of scientific and military knowledge...

01:04:33:03 MCKAY (CONT'D O/S INTO RADIO): we could acquire is invaluable.

01:04:34:19 WEIR (INTO RADIO): So what are you saying?

01:04:36:16 MCKAY (INTO RADIO): We have to go down and take a look.

01:04:38:03 WEIR (INTO RADIO): You have to?

01:04:39:18 WEIR (CONT'D V/O OVER RADIO): It took you almost 15 hours to get there.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:04:42:26 SHEPPARD (INTO RADIO): Well, all the more reason we should have a look.  
We're already here.

01:04:46:17 GALL (INTO RADIO): I should mention that the planet's atmosphere is extremely  
ionized.

01:04:49:23 GALL (CONT'D O/S INTO RADIO): Radio communication...

01:04:51:01 GALL (CONT'D INTO RADIO): could be difficult.

01:04:52:03 WEIR (V/O OVER RADIO): And it would take at least 15 hours to send out any  
sort of rescue.

01:04:56:23 MCKAY (INTO RADIO): We'll be fine.

01:04:58:19 WEIR (V/O OVER RADIO): Major?

01:05:00:09 SHEPPARD (INTO RADIO): I agree with McKay.

01:05:02:15 WEIR (INTO RADIO): Of course you do. How could either of you resist exploring a  
crashed alien spaceship?

01:05:07:01 SHEPPARD (INTO RADIO): Exactly.

01:05:08:00 MCKAY (O/D INTO RADIO): I assure you...

01:05:08:21 MCKAY (CONT'D INTO RADIO): our interest is purely professional, Elizabeth.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:05:10:25 SHEPPARD (V/O OVER RADIO): Seriously, the amount of intel we could gather from their weapons system--

01:05:13:25 SHEPPARD (CONT'D INTO RADIO): codes, shields...

01:05:15:10 WEIR (V/O OVER RADIO): All right.

01:05:16:11 WEIR (CONT'D INTO RADIO): Proceed with extreme caution, please, and check in with me in three hours.

01:05:20:00 MCKAY (INTO RADIO): Well, three hours? That's hardly enough time--

01:05:21:02 SHEPPARD (O/S INTO RADIO): Will do.

01:05:22:03 SHEPPARD (CONT'D INTO RADIO): Jumper One out.

01:05:24:18 MCKAY (IMITATING GALL): "Radio communication could be difficult."

01:05:32:17 GALL: Hey, she said yes, didn't she?

01:05:34:03 MCKAY: And no thanks to you.

01:05:35:10 SHEPPARD: All right, knock it off, guys. I've spent the last 15 hours listening to you two.

01:05:45:15 SHEPPARD (CONT'D): Are we ready?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:05:50:03            SHEPPARD (CONT'D): All right, let's remember where we parked.

01:05:58:05            GALL: Why didn't we just land next to the ship?

01:06:00:08            SHEPPARD: Just a precaution.

01:06:01:23            ABRAMS: A precaution for what? The Wraith ship crashed thousands of years  
ago.

01:06:05:03            SHEPPARD: Automated defenses.

01:06:06:17            GALL (O/S): I never thought of that.

01:06:08:09            MCKAY: Don't worry, Brendan. We weren't all built for fieldwork. Seriously, we're  
almost there, right?

01:06:16:15            ABRAMS: What's that?

01:06:20:23            GALL: Some kind of a bug?

01:06:22:18            SHEPPARD: Space bug.

01:06:24:20            ABRAMS (O/S): It's giving off...

01:06:26:00            ABRAMS (CONT'D): some pretty strong life-signs readings.

01:06:27:10            MCKAY: Uh, okay, did I mention how allergic I was to bee stings?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:06:30:07            SHEPPARD: Maybe it smells the food.

01:06:31:22            GALL: Maybe he's just smelling the girlish fear.

01:06:34:18            SHEPPARD (O/S): Well, let's leave it be...

01:06:37:18            SHEPPARD (CONT'D): and it'll leave us be.

01:06:44:02            MCKAY: Guys...

01:07:03:15            ABRAMS: Have you seen one like this before?

01:07:05:03            SHEPPARD: It's too small to be a hive ship.

01:07:07:29            MCKAY (O/S): Well, it's been here for a very long time. Maybe they've  
   discontinued that model.

01:07:11:28            SHEPPARD: Maybe, but whatever it is, it took a hell of a hit.

01:07:16:03            GALL: Score one for the Ancient satellite.

01:07:22:29            SHEPPARD: There's still some skeletons down there.

01:07:24:27            SHEPPARD (CONT'D O/S): I guess everyone didn't die in the crash.

01:07:27:12            SHEPPARD (CONT'D): Are you getting any life signs?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:07:29:01 MCKAY: I think we can rule that out.

01:07:30:14 SHEPPARD: It's just a precaution.

01:07:32:07 MCKAY: Fine.

01:07:38:04 MCKAY (CONT'D): No, it's just us and the glowy bugs. Nothing coming from the  
ship.

01:07:40:22 SHEPPARD: Good. Let's go take a look.

01:08:02:09 MCKAY: I'm picking up faint power readings.

01:08:04:25 SHEPPARD: Something had to be powering the distress beacon.

01:08:25:22 GALL: Come on, Abrams.

01:08:27:11 ABRAMS: Maybe one of us should stay outside.

01:08:31:13 GALL: Look, I know how you feel, but how many opportunities like this are we  
going to get?

01:09:10:02 ABRAMS (O/S): This guy looks like he just lied there and died.

01:09:12:20 MCKAY (O/S): It's remarkably preserved.

01:09:13:24 SHEPPARD: Or it wasn't that long ago.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:09:15:21 SHEPPARD (CONT'D O/S): All right.

01:09:18:03 SHEPPARD (CONT'D): Beckett will want samples.

01:09:28:25 MCKAY: It is...? Yeah. Okay...

01:09:41:25 MCKAY (CONT'D O/S): What the--?

01:09:43:16 SHEPPARD: Okay. This is different.

01:09:47:13 MCKAY: Wraith cannibalism?

01:09:49:09 SHEPPARD: Looks like it.

01:09:50:21 MCKAY: They feed off each other?

01:09:52:16 SHEPPARD: Probably as a last resort.

01:09:54:02 ABRAMS: I guess some of them tried to survive as long as possible.

01:09:56:23 MCKAY: Okay, that is incredibly disturbing.

01:09:58:24 SHEPPARD: No kidding. You know, I wonder if there's--

01:10:03:21 GALL (SHOUTING O/S): Guys!

01:10:21:29 GALL (O/S CONT'D): They're bodies, human bodies.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:10:26:13            SHEPPARD: They have chambers like this on hive ships. I've never seen one so large before.

01:10:32:14            GALL: I don't understand.

01:10:33:28            MCKAY: The Wraith cocoon humans. They keep their bodies in a sort of suspended animation, so later they can... Yeah.

01:10:40:24            SHEPPARD: I think we just figured out what this ship is for.

01:10:43:19            MCKAY: It's a supply ship... on its way to feed the Wraith who were laying siege to Atlantis.

01:10:48:09            GALL: Well, that's terrifying.

01:10:49:18            SHEPPARD: Gall, Abrams, check it out, but be careful.

01:10:52:05            GALL: What? No, wait.

01:10:53:08            ABRAMS: Where are you going?

01:10:54:08            SHEPPARD (O/S): Well, the ship's got to have a bridge.

01:10:55:08            SHEPPARD (CONT'D): Maybe we can get some useful intel.

01:10:57:08            GALL: So you're just leaving us here?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:10:58:19 MCKAY: What's the problem? They're all dead.

01:11:00:11 GALL (O/S): That's the problem!

01:11:01:29 SHEPPARD: Just get some D.V. and a rough head count. We'll stay in radio contact.

01:11:05:11 GALL: That could be difficult. This part of the ship seems really shielded.

01:11:09:03 SHEPPARD: Weir only gave us a few hours. We'll check in every few minutes.

01:11:12:28 MCKAY: You wanted fieldwork. This...is fieldwork.

01:11:34:08 WEIR: Lieutenant, I'd like you to put a team on standby...

01:11:37:19 WEIR (CONT'D O/S): for a rescue mission.

01:11:38:22 FORD: Is the major all right?

01:11:39:23 WEIR: I'm sure everything's fine. I'd just like to have a team ready.

01:11:42:19 FORD: So just in case?

01:11:45:09 WEIR: Yeah. Just in case.

01:11:49:05 FORD: Yes, ma'am.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:11:57:15 MCKAY: I'm not picking up anything in the E.M. spectrum. I may need to rig up a secondary power source so we can interface with their computer systems.

01:12:06:03 SHEPPARD: I'm just thinking out loud here...

01:12:07:25 MCKAY: What?

01:12:08:25 SHEPPARD: How long do you think the Wraith could feed on all those humans back there?

01:12:12:11 MCKAY: Well, they're capable of hibernating for hundreds of years at a time, but, I mean, think about it. 10,000 years ago was roughly the dawn of human civilization.

01:12:20:01 SHEPPARD: So there's no chance...

01:12:21:01 MCKAY (O/S): No, no, no. Are you kidding?

01:12:22:28 MCKAY (CONT'D): Well...maybe.

01:12:27:00 SHEPPARD: McKay.

01:12:28:04 MCKAY: No. No, no living thing could survive that long under those conditions. It's ridiculous.

01:12:36:14 SHEPPARD: Okay.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:12:38:05 MCKAY: That would require an incredible power source capable of sustaining the stored humans in suspended animation almost the entire time.

01:12:45:15 SHEPPARD: So it's possible?

01:12:47:25 MCKAY: Oh, my God. It is possible. We've got to get out of here.

01:12:55:27 SHEPPARD (V/O OVER RADIO): Gall, Abrams, this is Sheppard.

01:12:59:13 GALL (INTO RADIO): Major, are you trying to scare me to death?

01:13:02:07 SHEPPARD (V/O OVER RADIO): I'm probably being a little overcautious, but we need to...

01:13:07:28 ABRAMS: We need to what?

01:13:09:12 GALL (INTO RADIO): Major, say again. Your radio's breaking up.

01:13:11:15 SHEPPARD (INTO RADIO): Let's fall back to our point of ingress. We're headed back to the jumper.

01:13:18:03 GALL: I think we're getting out of here.

01:13:20:29 ABRAMS: What?

01:13:22:10 GALL: I just saw something in the corridor behind you. We can't go that way.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:13:26:05 GALL (CONT'D INTO RADIO): Major, I just saw something.

01:13:28:23 SHEPPARD (INTO RADIO): All right, stay put. We're coming back to you.

01:13:33:03 ABRAMS (O/S INTO RADIO): Understood.

01:13:34:25 ABRAMS (CONT'D): There's nothing out here. Brendan, you're just freaking out  
on me.

01:13:38:01 GALL: I'm telling you, I saw something.

01:13:39:15 ABRAMS: Put that thing away. You're going to kill somebody.

01:13:40:20 GALL: I know what I saw!

01:13:45:09 ABRAMS: Oh, my God.

01:14:04:15 SHEPPARD: This way.

**END OF ACT ONE**

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112****ACT TWO**

01:14:54:07 MCKAY: He is dead.

01:14:56:16 SHEPPARD: Where's Gall?

01:14:58:10 MCKAY: I don't know.

01:14:59:27 SHEPPARD (INTO RADIO): Gall, this is Sheppard. Come in.

01:15:01:25 MCKAY: It must have taken him.

01:15:07:09 SHEPPARD: You're right. They're on the move.

01:15:10:13 MCKAY (O/S): What're you doing?

01:15:11:25 SHEPPARD (O/S): Taking his weapons...

01:15:12:26 SHEPPARD (CONT'D): and his ammo. Here.

01:15:14:10 MCKAY: I already have a gun.

01:15:15:14 SHEPPARD: Now you have two.

01:15:18:06 MCKAY (O/S): You're not planning on going after the Wraith?

01:15:19:13 SHEPPARD: I plan on going after Gall, then I plan on getting the hell out of here.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:15:23:07 MCKAY: I swear there was nothing alive when I scanned for life signs.

01:15:25:25 SHEPPARD: They don't show up as life signs when they're hibernating.

01:15:31:18 SHEPPARD (CONT'D): Okay. Let's go.

01:16:01:00 ABRAMS: Please!

01:16:13:04 FORD: They're not even overdue yet.

01:16:14:13 WEIR: It doesn't matter. Call it intuition, paranoia, or we can just call it a drill.  
Either way, I want you to go now.

01:16:20:26 TEYLA: We can always be called back, but if they are in trouble...

01:16:23:15 WEIR (O/S): Then every moment counts.

01:16:24:15 WEIR (CONT'D): Exactly. Ford, who's your pilot?

01:16:27:01 FORD: Markham.

01:16:27:24 WEIR (O/S): Good.

01:16:28:14 WEIR (CONT'D): He could use some piloting practice.

01:16:30:01 FORD: And I've packed enough ordnance to fight a small war.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:16:32:09 WEIR: Let's hope you don't have to.

01:16:33:23 FORD: Yes, ma'am. Let's move out.

01:16:51:06 MCKAY: What's that?

01:16:52:14 SHEPPARD (O/S): I don't know...

01:16:53:24 SHEPPARD (CONT'D): but I don't have the ordnance I should have...

01:16:55:11 SHEPPARD (CONT'D O/S): and it takes a lot to kill these guys.

01:16:57:05 SHEPPARD (CONT'D): I'll take any edge I can get.

01:17:03:08 WRAITH: What world are you from?

01:17:06:00 GALL: Y-You're going to kill me anyway.

01:17:09:17 WRAITH: You have come here by ship.

01:17:13:14 WRAITH (CONT'D O/S): Where is it?

01:17:15:25 GALL: You're going to kill me anyway.

01:17:18:12 WRAITH: But not all at once.

01:17:26:21 (GALL SCREAMING)

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:17:29:27 SHEPPARD: Okay... Stay behind me. Shoot only when I tell you to shoot.

01:17:44:16 (FOOTSTEPS APPROACHING)

01:18:02:22 GALL: I'm sorry.

01:18:04:28 SHEPPARD: Shh.

01:18:11:17 SHEPPARD (CONT'D): He's left the ship.

01:18:20:03 GALL: It killed Abrams.

01:18:21:07 SHEPPARD (O/S): We know.

01:18:24:12 GALL: It was so fast... It fed off me.

01:18:27:12 MCKAY: You're going to be all right.

01:18:28:27 GALL: It was taking my life. I could feel it...

01:18:30:26 SHEPPARD (O/S): All right, all right, all right. Listen to me.

01:18:32:04 SHEPPARD (CONT'D): Listen to me. You're still here.

01:18:36:03 SHEPPARD (CONT'D): Can you move?

01:18:37:09 GALL: Nothing below my shoulders.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:18:40:29 MCKAY: I'm sure the paralysis is just temporary. You'll be all right in a few hours.

01:18:43:25 GALL: I told him where we left the jumper.

01:18:46:09 GALL (CONT'D O/S): He took my remote.

01:18:48:09 MCKAY (O/S): He won't be able to fly it.

01:18:50:14 SHEPPARD: Do we know that for a fact?

01:18:52:02 MCKAY: I'm sure the Wraith were the main reason the Ancient technology only  
works if the operator has a specific gene.

01:18:56:16 SHEPPARD: Either way, he's still going to have all of our weapons, food...

01:18:58:15 SHEPPARD (CONT'D O/S): and water--

01:18:59:03 MCKAY: Who cares?

01:19:00:12 SHEPPARD: What if he can use our subspace radio to signal his friends?

01:19:04:01 MCKAY: He might be able to do that.

01:19:06:05 SHEPPARD: Not if I can get there first.

01:19:07:19 MCKAY: He's got a head start.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:19:08:20 SHEPPARD: I can be pretty fast.

01:19:09:21 MCKAY: Elizabeth will send another jumper. We just need to wait--

01:19:11:11 SHEPPARD: Stay with him.

01:19:12:29 GALL: No. Please don't leave us.

01:19:15:12 MCKAY: He's right. We should stick together.

01:19:17:06 SHEPPARD: He killed Abrams.

01:19:18:12 MCKAY: I'm as sorry about that as you are, but just because we both made an  
error in judgment--

01:19:21:25 SHEPPARD: I don't have time to argue about this!

01:19:23:17 SHEPPARD (CONT'D O/S): Now, set your radio to channel two...

01:19:25:20 SHEPPARD (CONT'D): but don't use it till you hear from me.

01:19:28:10 MCKAY: Major. Major!

01:19:34:20 MCKAY (CONT'D): It's fine, just... Okay.

01:20:17:20 GALL: Anything?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:20:18:04 MCKAY: No. Hopefully there's just the one.

01:20:23:07 GALL: You're not going to let me die...

01:20:25:16 GALL (CONT'D O/S): out here, are you?

01:20:26:21 MCKAY: No, don't be ridiculous.

01:20:28:05 GALL (O/S): You know, because people would talk.

01:20:31:00 MCKAY: And why would they do that?

01:20:32:10 GALL: It's obvious.

01:20:33:26 GALL (CONT'D O/S): You're afraid I'll outshine you.

01:20:35:26 GALL (CONT'D): My mind. My youth...

01:20:43:26 GALL (CONT'D): How much of my life did he take?

01:20:45:11 MCKAY: You look fine.

01:20:46:11 GALL (O/S): Because that's what they do, isn't it? They take years off of your life.

01:20:50:20 GALL (CONT'D): I look old, don't I?

01:20:51:26 MCKAY: You look older, yes.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:20:57:06 GALL: Show me.

01:20:58:14 MCKAY: There's no point in doing this. You just--

01:21:00:12 GALL (O/S): Rodney.

01:21:01:18 GALL (CONT'D): Show me.

01:21:17:10 GALL (CONT'D): Oh, my God!

01:21:19:04 MCKAY: I don't know how it works, Brendan. I don't think anybody does.

01:21:21:27 MCKAY (CONT'D O/S): Maybe you haven't really aged. Maybe it doesn't work  
that way. Look, it's possible that, in time...

01:21:25:27 MCKAY (CONT'D): you could get better. The important thing is that you're still  
alive.

01:21:33:09 MCKAY (CONT'D): Can you move yet?

01:21:37:09 GALL: I think I'm starting to get some feeling back in my extremities.

01:21:40:15 MCKAY: Well, there's something.

01:21:44:07 MCKAY (CONT'D): What?

01:21:45:28 MCKAY (CONT'D O/S): I'm just trying to help here.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:21:48:21 MCKAY (CONT'D): Look, you're the one who had to find the stupid satellite.

01:21:54:01 GALL: Ah, don't make me laugh.

01:21:55:01 MCKAY: Yeah. You shouldn't laugh. It's...it's not so good.

01:22:47:12 (WRAITH SCREAMING)

**END OF ACT TWO**

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112****ACT THREE**

01:23:26:00 WEIR (V/O OVER RADIO): It's been six hours. They still haven't checked in.

01:23:28:08 FORD (INTO RADIO): Good thing we left when we did.

01:23:30:16 WEIR (INTO RADIO): Be careful, Lieutenant.

01:23:32:03 FORD (INTO RADIO): Yes, ma'am.

01:23:33:12 WEIR (V/O OVER RADIO): Gall said something about radio being a problem on the surface, so, hopefully, the jumper's subspace communications are just down.

01:23:39:23 FORD (INTO RADIO): We're prepared to do whatever we need to do.

01:23:42:01 WEIR (INTO RADIO): You're on the other side of the solar system, Lieutenant. It's going to be your call.

01:23:45:25 FORD (INTO RADIO): Yes, ma'am, it is.

01:23:53:15 SHEPPARD (V/O OVER RADIO): McKay.

01:23:55:25 MCKAY (INTO RADIO): We're still here.

01:23:56:20 SHEPPARD (INTO RADIO): The son of a bitch beat me to it. He's fast.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:23:59:08 MCKAY (V/O OVER RADIO): Then you should get back here.

01:24:00:21 SHEPPARD (INTO RADIO): Negative.

01:24:02:08 MCKAY (V/O OVER RADIO): There's no point in you being out there--

01:24:03:03 SHEPPARD (INTO RADIO): He's aboard my ship.

01:24:04:15 MCKAY (INTO RADIO): What are you, Captain Kirk? What good's it going to do  
him?

01:24:07:03 SHEPPARD (INTO RADIO): I don't know. Maybe he can hotwire the damn thing. I  
don't want to take a chance.

01:24:18:21 SHEPPARD (CONT'D INTO RADIO): Do you have any idea how long the days  
are on this planet?

01:24:21:17 MCKAY (V/O OVER RADIO): No. Why?

01:24:23:01 SHEPPARD (INTO RADIO): Because I've got a feeling the nights are pretty damn  
cold, sub-zero cold.

01:24:27:28 MCKAY (INTO RADIO): We're six hours overdue. Assuming they waited an hour  
before sending a rescue mission--

01:24:31:15 SHEPPARD (V/O OVER RADIO): There's a very good chance it's going to be  
dark before another jumper can get here.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:24:34:15 SHEPPARD (CONT'D INTO RADIO): If we play the waiting game, the guy who's been around for 10,000 years is going to win.

01:24:39:02 MCKAY (INTO RADIO): Major, anyone or anything capable of surviving that long is going to be a serious adversary.

01:24:43:20 SHEPPARD (INTO RADIO): Well, not if I get him out in the open. He won't know about our weapons. If all goes well, I'll fly the jumper back and pick you up.

01:24:51:03 MCKAY (INTO RADIO): And if all doesn't go well?

01:24:52:10 SHEPPARD (V/O OVER RADIO): It will.

01:24:53:10 MCKAY (INTO RADIO): Things haven't gone all that well thus far.

01:24:55:03 SHEPPARD (V/O OVER RADIO): You know, Rodney, these guys do die if you have enough firepower.

01:24:58:26 MCKAY (INTO RADIO): Well, eventually, yes, but--

01:25:00:10 SHEPPARD (INTO RADIO): Try and stay positive. How's Gall feeling?

01:25:06:17 MCKAY (INTO RADIO): His can move his toes.

01:25:07:19 SHEPPARD (INTO RADIO): Well, see? Things are looking up.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:25:26:29 SHEPPARD (V/O OVER RADIO): This is Major John Sheppard. That's my ship  
you're messing with. I'd like it back.

01:25:33:20 WRAITH (INTO RADIO): This ship is Lantian.

01:25:35:16 SHEPPARD (INTO RADIO): Yes, it is.

01:25:37:17 WRAITH (INTO RADIO): The Lantians were on the verge of defeat.

01:25:39:20 SHEPPARD (INTO RADIO): Well, you weren't around for the end of the war. Your  
side lost.

01:25:42:16 WRAITH (INTO RADIO): Impossible.

01:25:43:25 SHEPPARD (V/O OVER RADIO): It's true.

01:25:45:02 SHEPPARD (CONT'D INTO RADIO): You're the last of your kind.

01:25:48:26 WRAITH (INTO RADIO): Their city was under siege. Atlantis was all that  
remained. Victory was inevitable.

01:25:55:01 SHEPPARD (V/O OVER RADIO): Well, you can see for yourself my ship is  
Lantian.

01:25:57:29 SHEPPARD (INTO RADIO): I'm living proof we're still around, but the Wraith were  
all gone. No one's left but you.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:26:05:27 WRAITH (INTO RADIO): What you say cannot be true.

01:26:09:18 SHEPPARD (V/O OVER RADIO): Why don't you come down to your own ship  
and see for yourself?

01:26:12:19 SHEPPARD (CONT'D INTO RADIO): I'll be waiting for you.

01:26:26:22 (GUNFIRE)

01:26:51:15 (GUNSHOTS)

01:27:08:21 (GUNFIRE)

01:28:13:16 WRAITH: You cannot hope to defeat me!

01:28:31:08 MCKAY: There. What'd I tell you, huh?

01:28:34:12 GALL: Rodney, I don't feel so good.

01:28:39:27 MCKAY (O/S): Water.

01:28:41:15 MCKAY (CONT'D): Probably need some water.

01:28:45:25 SHEPPARD (V/O OVER RADIO): McKay...

01:28:47:07 MCKAY (INTO RADIO): Major, what's happening?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:28:49:22 SHEPPARD (INTO RADIO): I thought you should know--round one was a draw.

01:28:53:16 MCKAY (INTO RADIO): I don't like the sound of that.

01:28:55:00 SHEPPARD (V/O OVER RADIO): Me neither. I took some fire.

01:28:56:14 MCKAY (INTO RADIO): Are you injured?

01:28:57:25 SHEPPARD (INTO RADIO): Yeah, that's what I mean by "I took some fire." But I don't think it's too bad, but my P-90's out of commission. He found a 9-mil in the jumper, figured out how to use it pretty fast.

01:29:10:05 MCKAY (INTO RADIO): Well, the Wraith will heal itself.

01:29:11:19 SHEPPARD (V/O OVER RADIO): Yeah. No kidding. I put at least 20 shots into him, and a couple more for good measure.

01:29:16:05 SHEPPARD (CONT'D INTO RADIO): I've seen Wraith go down and stay down with far less. This guy's different somehow.

01:29:20:19 MCKAY (V/O OVER RADIO): Dr. Beckett has theorized that a Wraith's ability...

01:29:22:19 MCKAY (CONT'D INTO RADIO): to heal itself is directly proportional to how recently the Wraith has fed, and he's...fed pretty recently.

01:29:29:23 SHEPPARD (INTO RADIO): I think there's got to be more to it than that.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:29:32:10 SHEPPARD (CONT'D V/O OVER RADIO): Can Gall move his fingers yet?

01:29:35:02 MCKAY (INTO RADIO): Barely.

01:29:36:17 SHEPPARD (INTO RADIO): All right, then stick a gun in his hand.

01:29:38:05 MCKAY (INTO RADIO): Major?

01:29:39:10 SHEPPARD (V/O OVER RADIO): Just in case I don't make it back. Sheppard out.

01:29:42:14 MCKAY: That's comforting, huh? All right. Water.

01:30:05:00 SHEPPARD: Oh, crap!

01:30:08:00 (EXPLOSION)

01:30:18:25 MCKAY (INTO RADIO): Major, what the hell was that?

01:30:19:29 SHEPPARD (V/O OVER RADIO): I almost blew myself up.

01:30:21:18 MCKAY (INTO RADIO): What?

01:30:22:18 SHEPPARD (V/O OVER RADIO): Stay off the radio. I'm busy.

01:30:24:11 MCKAY: Right. He's busy.

01:30:27:28 GALL: You want to get out there and help him, don't you?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:30:30:23 MCKAY: What? Me go up against a Wraith? Are you kidding?

01:30:33:08 GALL: You do, I can tell. You've changed.

01:30:37:03 GALL (CONT'D O/S): You really want to get out there.

01:30:38:10 MCKAY: Shut up.

01:30:39:10 GALL (O/S): Don't get me wrong.

01:30:40:10 GALL (CONT'D): I'm impressed. You want in the fight. The Rodney McKay I knew  
would never--

01:30:45:19 MCKAY: You heard the man. We're staying right here.

01:30:51:03 MCKAY (CONT'D): All right.

01:30:58:05 MCKAY (CONT'D O/S): Take this...

01:30:59:22 MCKAY (CONT'D): but don't shoot at anything until I tell you to, okay?

01:31:02:05 GALL: Okay.

**END OF ACT THREE**

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112****ACT FOUR**

01:32:12:05 SHEPPARD: You want some of this?

01:32:44:02 SHEPPARD (CONT'D): Okay, okay. That's enough.

01:33:54:00 (GUNSHOTS)

01:34:09:06 (BEEPING, SHIELD POWERS UP)

01:34:54:12 MCKAY: You're right. I should go out there.

01:34:55:25 GALL: I didn't say you should. I said you wanted to.

01:35:00:15 MCKAY: Because I should.

01:35:02:20 GALL: No, you shouldn't. But don't let me stop you.

01:35:06:22 GALL (CONT'D O/S): If you really think you can help the major by going out--

01:35:09:07 MCKAY: I can't leave you here.

01:35:10:18 GALL: Yes, you can. What difference does it make? You and I both know I'm not  
going to make it.

01:35:16:17 MCKAY: Stop being so dramatic. You're getting stronger by the minute.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:35:19:12 GALL: I've never felt so weak.

01:35:22:08 MCKAY: Then stop talking.

01:35:24:02 GALL: I'm dying, Rodney. I can feel it.

01:35:26:25 MCKAY: Stop it!

01:35:27:25 GALL (O/S): I'm not getting better. I'm getting worse.

01:35:29:25 GALL (CONT'D): He left me with just enough life so that you'd have to watch me  
die.

01:35:34:14 MCKAY: Listen to me. All you need is a good meal...

01:35:37:02 MCKAY (CONT'D O/S): a pot of tea, and to stop talking...

01:35:39:15 MCKAY (CONT'D): and-- Brendan!

01:35:44:10 MCKAY (CONT'D): I'm sorry.

01:35:46:16 GALL: You said to stop talking.

01:35:48:21 MCKAY (O/S): I'm sorry, I thought you'd--

01:35:51:11 MCKAY (CONT'D): Apologies. Nice work.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:36:23:15 SHEPPARD: Not now, guys.

01:36:55:00 MARKHAM: We may be able to make radio contact now, sir.

01:36:57:15 FORD (INTO RADIO): Major, this is Lieutenant Ford. Come in.

01:37:03:13 FORD (CONT'D INTO RADIO): Major, we should be there inside an hour. Please  
respond.

01:37:07:19 TEYLA: Perhaps we are still too far away.

01:37:09:12 MARKHAM: Or maybe they can't get a signal on the planet.

01:37:11:21 FORD: See if you can make this thing go a little faster.

01:37:14:20 WRAITH: Do you think I'm a fool, Major Sheppard? There is nowhere for you to go  
on this world. When I feed upon you, I will savor the taste of your  
defiance.

01:37:25:19 SHEPPARD (INTO RADIO): Hey, you. Over here.

01:37:28:06 SHEPPARD (CONT'D V/O OVER RADIO): On the ground, the radio.

01:37:34:03 WRAITH (O/S): The days on this planet are long, but the nights are cold.

01:37:38:29 WRAITH (CONT'D): Sooner or later...I will have you.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:37:42:26 SHEPPARD (INTO RADIO): I can't hear you threatening to suck the life out of me  
till you hit the button on the radio.

01:37:55:00 (BEEPING)

01:37:58:16 (EXPLOSION)

**END OF ACT FOUR**

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112****ACT FIVE**

01:38:38:04 MCKAY: Did you hear that?

01:38:39:25 GALL: No.

01:38:41:00 MCKAY: I thought I heard something. Maybe there's another one hibernating.

01:38:46:08 GALL: No.

01:38:48:12 MCKAY: It's been too long. I think the major could be in trouble, and if he's in  
trouble, we're in trouble.

01:38:54:16 GALL: Then go.

01:38:55:16 MCKAY: Do you think you could move?

01:38:57:20 GALL: Not a chance. I'm not going anywhere.

01:39:01:21 MCKAY: Okay. That's okay.

01:39:05:10 GALL (O/S): Go.

01:39:06:21 GALL (CONT'D): Rodney, just go. Save the day.

01:39:12:23 MCKAY: What I really want to do is call him on the radio, but I'm afraid...

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:39:15:06 MCKAY (CONT'D O/S): if he's hiding from the Wraith, I might inadvertently give away his position, and let's face it, what chance would we have against the Wraith if Sheppard can't take him out?

01:39:19:02 MCKAY (CONT'D): I was hoping you'd be strong that I--

01:39:22:26 (GUNSHOT)

01:39:30:16 MCKAY: Oh, no.

01:39:43:23 SHEPPARD: You've got to be kidding me.

01:39:45:26 WRAITH (O/S): I have fed upon countless thousands...

01:39:47:27 WRAITH (CONT'D): of humans and Lantians, even upon my own crew...

01:39:52:02 WRAITH (CONT'D O/S): and I will feed upon you...

01:39:54:05 WRAITH (CONT'D): before this day is done.

01:39:57:02 (GUNFIRE)

01:40:03:01 FORD (V/O OVER RADIO): Major, this is Lieutenant Ford. Please respond.

01:40:05:14 SHEPPARD (INTO RADIO): Lieutenant, I like your timing.

01:40:06:27 SHEPPARD (CONT'D V/O OVER RADIO): Get your ass down here.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:40:07:27 FORD (INTO RADIO): Sir, we're still two-zero minutes away at top speed.

01:40:10:18 SHEPPARD (INTO RADIO): Well, in that case, your timing sucks. Get here as soon as you can.

01:40:13:15 (GUNFIRE)

01:40:16:06 SHEPPARD: You need me to get off this planet.

01:40:18:13 SHEPPARD (CONT'D O/S): I'm the only one who can fly that ship.

01:40:21:13 WRAITH (O/S): I will use...

01:40:23:18 WRAITH (CONT'D): your dead hands to operate its controls.

01:40:25:22 (GUNFIRE)

01:40:26:28 (EMPTY CHAMBERS CLICKING)

01:40:59:00 (GUNFIRE)

01:40:59:25 MCKAY: Major?

01:41:01:20 SHEPPARD: McKay!

01:41:03:04 MCKAY: What do I do now?

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:41:04:29            SHEPPARD: Keep firing everything you've got!

01:41:08:00            (GUNFIRE)

01:41:14:01            MCKAY: Okay, now what?

01:41:15:07            SHEPPARD: Reload.

01:41:24:15            TEYLA: We're picking up their life signs on the planet.

01:41:27:01            FORD: Head straight for them.

01:41:28:02            FORD (CONT'D V/O OVER RADIO): Sir, we're picking you up on the HUD.

01:41:37:10            (GUNFIRE)

01:41:41:10            MCKAY: No more bullets!

01:42:06:07            SHEPPARD (INTO RADIO): Ford, lock onto the biggest life-sign...

01:42:08:21            SHEPPARD (CONT'D V/O OVER RADIO): signals you can see and fire.

01:42:10:21            FORD (INTO RADIO): Negative, sir. You're too close!

01:42:12:04            SHEPPARD (INTO RADIO): That's an order, Lieutenant. Do it!

01:42:14:05            FORD: Fire on that target.

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:42:19:26            SHEPPARD: McKay, run!

01:42:32:25            (EXPLOSION)

01:42:44:23            SHEPPARD: McKay?

01:42:47:15            MCKAY: Still here!

01:42:49:01            FORD (V/O OVER RADIO): Sir, this is Ford. The target is gone.

01:42:52:26            SHEPPARD (INTO RADIO): Well, it's about damn time.

01:42:55:19            TEYLA (INTO RADIO): We got here as soon as we could, Major.

01:42:58:01            SHEPPARD (INTO RADIO): That's not what I meant. Thanks.

01:43:00:22            FORD (INTO RADIO): You're welcome, sir. We'll be there in just a few minutes.

01:43:03:28            SHEPPARD (V/O OVER RADIO): We can wait.

01:43:23:18            SHEPPARD: Thanks.

01:43:24:20            MCKAY (O/S): Yeah.

01:43:25:22            MCKAY (CONT'D): You too. You okay?

01:43:29:11            SHEPPARD: Other than this and a few cracked ribs...

**STARGATE ATLANTIS -- "THE DEFIANT ONE" -- Episode #112**

01:43:38:04 SHEPPARD: What about Gall?

01:43:41:07 MCKAY: No.

01:43:56:10 SHEPPARD: You'll have to put the ship back together, provided you could disarm  
the shield.

01:44:02:14 MCKAY: Fine. As long as we get to go home.

01:44:05:11 SHEPPARD: You can drive.

01:44:07:20 MCKAY: Oh, thank you.

**END OF ACT FIVE**

**FADE TO BLACK**

**BEGIN END CREDITS**
