Verse 3:

For years I've been telling myself the same old story,
 That I was happy to live off my so-called former glories.
 But you've given me a reason to take another chance.
 Now I need you,
 Despite the fact that you've killed all my plants.
 And though I know
 I've already blown more chances
 Than anyone should ever get,
 All I'm asking you is
 Don't write me off just yet.
 Don't write me off just yet.
